INTERVIEW

with THE PRINCIPAL

Ques. What are the five major areas of Viksit IP as per your esteemed vision?

Our college has been proactive in promoting students to cultivate academic as well as co-scholastic engagements. These pursuits inspire holistic engagement in the students, focusing on chief areas which shape well-rounded individuals and responsible professionals.

Women Empowerment

To begin with, our institution is dedicated to creating an environment that makes students realise their strengths and powers. We actively encourage and support students to pursue their academic and professional goals, ensuring equal opportunities and a nurturing atmosphere in the challenging worldview. Our initiatives include mentorship programs, awareness campaigns, workshops, training programs aimed at building confidence and leadership skills among the students.

Inculcating Philanthropic Spirit

Further, beyond academic excellence, we instil in our students a sense of philanthropy. Each student is actively engaged in community service and contributes to social causes. This exercise inculcates in them sensitivity and sensibility towards societal issues. I firmly believe that one can't be a good human if she isn't spiritual and has high moral value. Yoga and meditation are two ideal methods which institutions will promote.

Social Responsibility and Commitment

We at IPCW, integrate social responsibility into the curriculum, emphasizing the importance of ethical conduct and civic engagement. Students are encouraged to participate in community projects and social initiatives that address real-world issues, preparing them for a life of significant contributions to society.

Aatamanam Viddhi

As educators, our commitment to teach self-awareness is a cornerstone of personal and professional development. This awareness not only enhances the individual but also equips them with the emotional intelligence required in their careers and life.

Stakeholders In All Walks of Life

The legacy of IPCW plays a crucial role in preparing students to excel in various facets of life, including the economy, politics, academics, administration, and beyond. Through a comprehensive and well-rounded education, students are equipped with the knowledge, skills and values necessary to navigate and contribute to diverse fields. The institution's commitment to academic excellence, ethical values and holistic development ensures that graduates emerge as leaders and contributors to society. Girls must feel proud and powerful as women.

Community Engagement

Embracing the philosophy of holistic national development, IP College actively reaches out to local communities. Through meaningful community engagement, we address pressing social issues and actively contribute to grassroots development.

Values and Ethics

In the realm of academic enrichment, our primary focus lies in the implementation of **‘academically oriented programs.’** These programs are meticulously designed to cultivate a dynamic and intellectually stimulating learning environment. This is an attempt to go beyond conventional educational approaches. Our dedication to **‘technology integration and innovation’** involves investing in cutting-edge infrastructure to provide students with advanced learning experiences. As part of our broader mission, we are deeply committed towards evolving a sense of **‘social responsibility’** among our students through active participation in community service. Conclusively, we integrate environmental awareness into our educational curriculum, ensuring that students understand the importance of sustainable practices and are equipped to make informed decisions that contribute to a greener and more sustainable future.

CENTENNIAL ODYSSEY

of

INDRAPRASTHA COLLEGE

In the vibrant veins of Delhi, where the past peeks through every corridor, stands a testament to education, empowerment and a century of transformative excellence: Indraprastha College for Women. Established in 1924, this venerable institution, affectionately known as 'IP College', has etched its name into the annals of women's education, evolving over the years into a beacon of knowledge and inspiration. The roots of IP College trace back to the visionary seeds sown in 1904, when the Indraprastha Girls' School was founded. It was a response to the call of the remarkable freedom fighter, educationist and theosophist Annie Besant, and led by the illustrious Lala Jugal Kishore.

Nestled in the historic Chhipiwara Lane of Old Delhi, the journey began, nurturing young minds, destined for greatness.

In 1924, an intermediate school was added, and thus, the Indraprastha College for Women came into being. Leonora Gmeiner, hailing from Kapunda, South Australia, adorned the role of the first principal, from 1924 to 1934, steering the college into an era of academic excellence.

The University of Delhi, founded in 1922, soon recognized IP College as a constituent college, marking the inception of a formalized journey in higher education. Degree courses found their way into the curriculum in the 1930s, with 1938 being the pivotal year when the University officially listed IP College as a degree college. The institution, having journeyed from the lanes of Chhipiwara, found a home in Chandrawali Bhawan, Civil Lines, and later, at the historic Alipur House at Alipur Road (now Sham Nath Marg), of the British Commander-in-Chief, in 1938, near Kashmere Gate. The building, now a heritage property, stands witness to the rich history of an era.

As IP College prepares to celebrate its centennial year, the journey of the institution reverberates with stories of transformation, resilience, and academic brilliance. The college that has weathered the sands of time, and has emerged stronger at each turn, has sculpted empowered women who have left an unfading mark on the society. The centennial year is marked by a series of events that reflect the college's commitment to holistic education and global exposure.

Eminent personalities, like Shri Ravi Kumar, have graced the campus with *Vedic* mathematics sessions, unraveling the mysteries of numbers. The intricate beauty of ancient mathematical principles sparked intellectual curiosity and appreciation for the timeless knowledge embedded in our heritage.

Shri Vijayendra Prasad has shared insights into the art of storytelling in Bharatiya cinema, weaving narratives that transcend time. His insights not only enriched the minds of aspiring filmmakers but also celebrated the rich narrative tradition embedded in our cultural heritage, ushering in a celebrity culture. Shri Manoj Tiwari's address on '*Meri Mati Mera Desh*' resonated with patriotic fervor, inspiring students to connect with their roots.

The college's global perspective shone brightly with the 'G20 South Korea and Bharat Cultural Fest.' This event not only celebrated the diverse cultural traditions of both the nations but also provided a platform for meaningful cross-cultural dialogue, promoting a comprehensive mindset among the students. The increased outreach of the college, evidenced by participation in conferences like the G20 University Connect, visits to All India Radio Studio, Parliament, Rashtrapati Bhawan, has provided students with invaluable exposure, widening their horizons and fostering a spirit of inquiry. The fields and arenas of IP College are not just spaces for physical activity but serve as platforms for the cultivation of values that extend beyond the classroom, shaping

individuals who are not just academically accomplished but also resilient and well-rounded in their pursuits. As we celebrate a century of academic excellence, let us also applaud the revival of the NCC and the triumphs on the sporting field that added dynamic layers to the transformative odyssey of Indraprastha College for Women.

As we stand on the cusp of a new era, IP College remains committed to its ethos of empowering women through education. The centennial celebrations are not just a reflection of the past but also a promise for the future. The transformative journey, marked by a century of achievements, is a tribute to the unwavering spirit that propels IP College forward.

Let us delve into the stories that have shaped IP College, celebrate the milestones achieved and embrace the transformative power of education that has been the heartbeat of this institution for a century. Here's to a hundred years of resilience, growth, and the enduring legacy of Indraprastha College for Women.

Bharat as the *Vishwa Guru*: The Glorious Legacy

Vishwa Guru is a Sanskrit term, which means, “teacher of the world”. It is believed to be first used by Swami Vivekananda, who played a significant role in promoting Bharat as the world leader, he believed that India’s spiritual heritage and wisdom could benefit not only its own people but also the entire world. Though he was not wrong, Bharat became the most celebrated country in the world, especially in the recent years, but was it always like that? Did the people of our country ignore our glorious legacy before? The answer to these questions lie in our past. Bharat has always been the most developed and structured country, in fact, geographically, it has always enjoyed a position of a “Sarvagunn Sampanna Desh”, as it has all types of seasons, manpower, economic potential, connectivity, and leadership. The position of the country is very strategic and worthy for all types of activities, as it lies south to the Great Himalayas, east to the Gulf region, north to the Indian Ocean, and also contains the Islands with a variety of rich flora and fauna in each and every region. Bharat’s legacy is a result of various factors like its history, economy, politics, geography, geopolitical position etc.

Starting with history, Bharat's history showed various fluctuations in the leadership and maintenance. In the prehistoric era, that is divided in various parts like the Stone age, basically the Indus Valley Civilization period, then came the Iron age and then the Vedic period, then the monarchical government rule, followed by invasions and the colonial rule. The History of Bharat is categorised like that, taking evidences from the various literary and non-literary sources that have described the theories of the past. The Vedic period saw the emergence of various philosophers i.e. Manu, Brihaspati etc. Their philosophies are still relevant and noteworthy, that they can be used by leaders to make Bharat a *Vishwa Guru*.

The period of monarchical rule in India's past, contains the rule of the Mauryan empire, the Gupta dynasty, the rule of king Harshavardhana, the Tripartite struggle period of the Gurjars, the Pratiharas and the Rashtrakutas, the rule of the great Cholas, Pallavas, the Vijayanagara empire etc, all of which in the Ancient period, shaped Bharat as the most wanted state to rule. Because of its geographical position, the social structure and the treasure this country entails have also provided assistance for the same. This period also saw various political philosophers like Kautilya, also known as Chanakya and Vishnugupta, was also an economist, famous for his work, the *Arthashastra*, which gave an account of the economic strategies of an ideal country; like the foreign trade, inter-state relations etc.

This period also saw philosophers like Gautama Buddha, Patanjali, Thiruvallur, Panini etc, who played an important role in structuring Bharat as a potential leader of the world. When the whole world was struggling to develop, Bharat had already set its roots to become a highly evolved nation. The period of foreign invasion made Bharat stagnant in development, as the decline of various dynasties led to the weakening of the subcontinent and it got invaded by the foreign powers which looted all the wealth of the nation and made its roots

weak by impacting the peace of the people of India. This period saw the rule of Delhi Sultanate, which consisted of the Middle Eastern powers and the Mughals. This period was committed to destroy the golden Bharat by looting its wealth and making the lives of its people miserable through various means. But the philosophical uprising of this period was remarkable. It saw the most influential philosophers like Kabir, Guru Nanak, Basavanna, Abul Fazal, Ziya-ud-din Barani etc. These people gave various theories which had a lot of influence on the rulers as well as the people, that in turn directed Bharat on the path of peace and harmony.

The last phase of the history was the rule of the British empire, which weakened Bharat further and contributed to the decay of its culture, society, religion, polity, and economy. The Britishers made Bharat fully underdeveloped and weak through various policies and also divided it into various principalities which affected the unity of the country and instilled an inferiority complex in the minds of the people. This period saw the rise of Nationalism in Bharat which eventually ended the 190 years rule of the British government through various policies of philosophers and leaders like Veer Savarkar, Sardar Patel, Bhagat Singh, Netaji Subhash Chandra Bose, Gandhiji and many more great personalities. These people made Bharat independent and established its roots as the future *Vishwa Guru*.

If we take the political perspective of Bharat as the *Vishwa Guru*, the first thing that comes to mind is Bharat being the largest democracy of the world. But the democratic roots of Bharat also lies in its history. It is believed that the rulers of ancient Bharat were quasi democratic in nature. They placed their people above everything. The first philosopher who discussed the democratic ideals was Basvanna of Medieval Bharat, who established the first legislative body in the 12th century in the southern parts of the subcontinent. The recent growth of Bharat lies in the realisation of its rich history and the established leadership of the current ruling party which shaped and promoted Bharat as a world leader. The political and geopolitical aspect of Bharat is becoming stronger day by day, through various important policy decisions and international connections of Bharat which has contributed in making its potential future as a world leader.

From an economic perspective, the concept of Bharat as the *Vishwa Guru* encompasses various dimensions that contribute to the country's economic legacy and its potential role in the global affairs. Economic growth is envisioned as a holistic and inclusive process that transcends traditional measures. It encompasses not only material prosperity, but also emphasises sustainability, ethical business practices, and the preservation of cultural heritage.

In this vision, economic development is intricately linked with social well-being, environmental stewardship, and a commitment to global cooperation. The *Vishwa Guru* perspective envisions Bharat as a knowledge hub, fostering innovation and entrepreneurship, while also promoting the values of inclusivity, fairness, and philanthropy. This approach to economic growth aligns with the broader goal of contributing to the global harmony and well-being, reflecting the cultural and philosophical heritage of Bharat. According to the reports, Bharat will be the 3rd largest economy in the near future which will be a step forward towards the idea of *Vishwa Guru*.

Scientifically, Bharat's history highlights contributions in the fields of mathematics, astronomy, medicine, metallurgy, philosophy, linguistics, and ecology. Ancient Indian mathematicians pioneered concepts like zero, the decimal system, and algebraic equations. Astronomers such as Aryabhata, advanced celestial understanding, while Ayurveda, the traditional medical system, dates back millennia. The Iron Pillar of Delhi stands as a testament to ancient metallurgical skills. Indian philosophy, linguistics and ecological wisdom also made enduring contributions. While modern Bharat continues scientific advancements, like the contributions of ISRO in the projects like *Chandrayaan 3* and *Aditya L1*, have given a new path of development to Bharat.

In conclusion, the emancipation of Bharat as the *Vishwa Guru*, encapsulates a profound legacy rooted in India's cultural and philosophical heritage.

From the teachings of the spiritual leaders, like Swami Vivekananda, to the philosophy of non-violence advocated by Gandhiji, India's ethical principles resonate globally. The artistic marvels of ancient temples and modern advancements in technology underscore a continuum of cultural and technological brilliance. Through soft power and environmental stewardship, India extends its influence by promoting cultural diplomacy and sustainable practices. In essence, Bharat as the *Vishva Guru*, stands as a testament to a timeless legacy, inviting the world to embrace spiritual wisdom, cultural richness, and a commitment to the global well-being.

Wisdom and philosophy being its core, India emerges as a beacon of spiritual enlightenment, offering profound insights through scriptures like the Vedas and Upanishads. The global impact of yoga and meditation, originating from India, further reinforces its role as a guiding light for holistic well-being. Scientific contributions, cultural diversity, and tolerance showcase the nation's rich tapestry, fostering a harmonious coexistence of different traditions.

FLAVOURS OF HISTORY: A PARTITION

Of one body, of many strokes.
The sharp knife cuts the hands of the clock
The disabled hands of time have stopped
in my eternal space
The tsunami of my eternal consciousness
has brought back the history

Of one body, of many deaths.
The hands roused to pluck the petals
Time soils the eroded land so my space
waited for it.
The era enters the divided land:

And you are bound to get trapped by
the division
The boundary of the flying time was
externally the provider of my
movement.
Stationary humanity but revolving
around two sects is what my mind
watches :
The watch of my hand moves in the
sane way but in-sanity resides in my
exploited body and exploded mind,
The partition has framed my time.

Nay, it never comes back but it has
stopped within me :
Sanity is my drawn line but outside it
lies myself.
The parted echoes embodies within me,
It never forgets:
It remains.
The fragment of an era with the urge to
cross it
But once un-crossed it will allow the
loosening of my identity so:
I will push the boundary to bring the
fluid aspect
And mix it well to merge a new sect.

VOCAL FOR LOCAL: THE UNHEARD VOICES

India, where diversity and unity co-exist, where poverty has had the better of the country's fifteen to twenty percent population, or even more, for years, is also a land of talents that go unheard of. These get buried deep under the ground as they are not equipped to withstand pressure, determent and negligence that they encounter on a daily basis, not only from outsiders, but also from their own countrymen who make a choice to consume foreign products and services as they appear to be 'modern.' But times are changing, people are changing and circumstances are changing; it is time that these unheard voices gain the respect that they so deserve. Thus, in order to encourage and promote the manufacturing of products using domestically available raw materials and labour, as well as to promote the usage of goods that are domestically made, the Indian government launched the scheme 'Vocal for Local' in May 2020.

The roots of the scheme, 'Vocal for Local,' can be traced back to the 'Swadeshi movement' as both have one common link, that is to not prefer foreign goods over locally manufactured ones. Even though circumstances of both these movements are entirely different, they have one common purpose: to make India self-reliant. During the colonial period, this initiative was taken to unite the Indians to bring about an end to the British Raj; in today's time, it is taken to present Indian products to the global market and to prove that India is not dependent on any other country anymore.

The scheme was introduced with the aim of creating a self-reliant India alias '*Atma Nirbhar Bharat*' and reduce its dependence on foreign imports. Under this scheme, the government provided

financial incentives to individuals as well as introduced favourable policies to encourage development and expansion of local businesses. This was a bold and risky move that was initiated by the Prime Minister of India, Sri Narendra Modi, for two main reasons. Firstly, at the time during which this scheme was introduced, trade was severely affected as trade barriers had been imposed in order to prevent the increase of Covid-19 and, secondly, he was the first to take such a perilous step post the economic crisis that India dealt with in the early-1990s, which forced India to open its market for foreign participants and slowed down the process of strengthening local industries.

However, this risk had to be taken as it not only provided the existing Indian companies an opportunity to expand their horizons, but also opened doors for many more resident business aspirants. ‘Vocal for local’ not only aims to encourage the build-up and usage of domestic products but it also aims to make people proudly promote Indian goods.

This scheme has proven to be quite successful as it has boosted the country’s local industry: many small-scale businesses came up that have, and continue to, generate employment; this expansion and creation of new employment opportunities have in turn contributed to the country’s GDP. Most importantly, the upliftment of local industries has taken the pressure off of imports.

Have you ever contemplated the potential state of our world in the year 2050? It is probable that many among you envision a future adorned with flying automobiles, virtual education, time capsules, mechanized contraptions, and captivating urban landscapes, among other advancements. However, my perspective diverges from this commonly held notion: I fear that our world may suffer ruin by 2050. Have you taken a perceptive look at the present condition of our planet? Allow me to elucidate the rationale behind my concerns.

Upon reading this, some of you may immediately associate the state of the world with issues such as pollution, global warming, climate change and other menacing perils. And, indeed, you are correct. At present, the two most extensively discussed subjects across the globe are: climate change and global warming. What has given rise to these phenomena?

Pollution, smoke, dust, and chemicals are the evident factors that command our attention when contemplating this matter. The primary calamity lies in the realm of air pollution. Countless factories, edifices, vehicles, and other smoke-emitting infrastructures are being erected in the name of so-called "development."

SUSTAINABLE DEVELOPMENT

While labelled as progress, I perceive it as a form of destruction. Can we truly label this as the advancement of our world when it imperils the prospects of future generations?

In the future, our planet may devolve into a place dominated by towering structures, shrouded in a toxic haze, as we read in dystopian books. Similar to the current era where individuals don masks to safeguard themselves from the coronavirus, future denizens will be compelled to don purification masks to combat the polluted air. The atmosphere will be so toxic that even a momentary breath will prove arduous without the aid of such masks. Survival rates for individuals afflicted with respiratory and cardiac diseases will plummet. Urban landscapes will be characterized by towering buildings and colossal air purifiers lining the streets.

The denizens will find it increasingly difficult to engage in productive work due to the prevalence of hazardous gases in the atmosphere. The cities will come alive after nightfall. As of today, 75% of our economy hinges on agriculture, yet by 2050, only a mere 20-30% of agricultural growth will remain. Villages will be decimated, farmers will either succumb to mass suicide or flock to the cities, groundwater will dwindle to near depletion, and the rising sea levels will engulf entire metropolises. Another significant factor contributing to this dystopian future is the relentless growth of the population. The populace will burgeon to such an extent that each individual will barely receive sustenance for a single meal, as agricultural productivity diminishes, compelling them to rely on medicinal sustenance.

Regrettably, individuals seldom contemplate the needs of future generations when consuming finite resources, exacerbating the quandary, particularly in the case of non-renewable resources. After all, why would one consider the needs of those who are yet to exist?

This is where the concept of "Effective Altruism" assumes relevance. It represents a practical community, striving to discern the most pressing global issues, devise solutions and

employ these insights to effect positive change. Effective altruists seek to prioritize impartiality and the equitable consideration of global interests when selecting beneficiaries. Prominent areas of focus within the ambit of effective altruism encompass global health and development, social inequality, animal welfare, and long-term existential risks to humanity's survival.

In conclusion, this text concerns the potential ruin of our world by 2050 due to issues such as pollution, global warming, climate change, and population growth. It emphasizes the need for sustainable development and effective altruism to address these pressing global issues and ensure the equitable consideration of global interests.

UNHERALDED HEROES IN THE HISTORY OF BHARAT:

“ VEERAMANGAI VELU NACHIYAR ” – THE TAMIL QUEEN WHO FOUGHT AWAY THE BRITISH

Men and women have walked the earth since time immemorial, but only have a few made history; only have a few moved mountains. Here, we explore the story of one such woman who etched her name in the columns of history, but whose chronicle has been hidden from the masses for hundreds of years.

Velu Nachiyar is little-known by the people, but she was the first Indian woman ruler to fight and triumph against the British. She did this in 1780, 77 years before the First War of Independence in 1857. She was popularly known as *Veeramangai* (brave woman) by the Tamils. She also devised the first recorded suicide bombing in history, with her Dalit commander-in-chief, Kuyili.

Velu Nachiyar was born in 1730 to Raja Chellamuthu Vijayaragunatha Sethupathy and Rani Sakandimuthal of the kingdom of Ramnad (Ramnad Samasthaanam). She was their only child. The royal couple raised her as they would have raised a male heir. She was trained in horse-riding, archery, and martial arts such as *valari* (throwing sickle) and *silambam* (fighting with a stick). She was also well-versed in several languages, including Tamil, Sanskrit, English, French, and Urdu.

With Tamil Nadu being a coastal state, Velu's father hoped to maintain a healthy trade relationship with the Europeans. She often represented her father at business meetings and dealings with foreign traders. At the age of 16, she was married to Muthuvadugananthar Udaiyathevar, the prince of Sivagangai (Sivagangai Samasthaanam-kingdom of Sivagangai). They had a daughter whom they named Vellachi Nachiyar, and the family ruled over the kingdom from 1750 to 1772 .

The kingdom of Sivagangai was of special importance. It guarded the route between India and Sri Lanka. Both the British and the French wanted to control this kingdom. Velu's happy days with King Muthuvaduganantha Thevar and her infant daughter in the kingdom of Sivaganga ended brutally one evening in the temple of Kalaiyar Koil.

That fateful day, the Nawab of Arcot, Wallajah, allied with the British, and waged war upon Sivaganga. The Nawab's men, armed with the British's modern battle equipment and weaponry, overpowered Sivagangai. The brave army of the Thevar was outnumbered and, in the ensuing battle in Kalaiyar Koil (the Kalaiyar Koil War,) the Thevar was martyred defending his kingdom. Scores of Thevar's men were killed, but Wallajah was not satisfied. He wanted to extinguish the last of the Thevar's bloodline, and immediately sought out the Queen and her daughter. Luckily, Rani Velu and her infant daughter were in the nearby Kollangudi Temple at the time of the attack. The loyal Marthadu brothers, who had been fighting alongside Thevar, rushed to Kollangudi and took the Queen and her entourage away towards Virupachi, in Dindigul.

To ensure the Queen's safe getaway, her loyal bodyguard Udaiyal and the other female warriors in her army stayed behind in Kollangudi to stall the advance of Wallajah. But the sheer number of Wallajah's men overwhelmed these valiant women and Udaiyal was captured. Despite being tortured, the brave Udaiyal did not reveal the Queen's whereabouts. In anger, Wallajah had her cut off into pieces, first cutting off her hands, then her legs, and finally her head.

When news of Udaiyal's valiant end reached the fleeing Queen, she immediately swore to vanquish the Nawab and his British allies, and take back Sivaganga for the sake of Udaiyal and her beloved husband. In memory of Udaiyal's supreme sacrifice, Rani Velu raised an all-woman army in her name.

As she wandered helplessly from village to village in the forests surrounding Dindigul, Rani Velu realised that she needed allies to take back Sivagangai from the British to whom it had had been bequeathed by the Nawab. While the Marthadu brothers had started raising an army among the loyalists in the region, it would not be enough to take on the English. She found a safe haven at Virupachi in Dindigul, and lived there for eight years under the sanctuary of Palayakaarar Gopala Nayakar

During her stay in Dindigul, Velu Nachiyar met Haider Ali, the Sultan of Mysore. She conversed with him in Urdu and highly impressed him with her courage and perseverance. This led to her garnering unwavering support not just from Gopala Nayakar, but also from Haider Ali, who pledged to be her ally in her fight against the British. He even built a temple inside his palace as a sign of their friendship. She was invited by the Sultan to stay at the Dindigul fort

where she was given the respect she deserved as a Queen. Haider Ali also gave her a monthly stipend of 400 Pounds and provided her with 5000 infantry and cavalry troops. Combined with the weapons provided by the Sultan, these resources helped Velu Nachiyar assemble a powerful army to fight against the British.

Finally, in 1780, eight years after she was forced to flee her kingdom of Sivagangai, Rani Velu stormed the region with her army and steadily reconquered the province piece by piece, until she reached the fort where the English were holed up.

The fort of Sivagangai was still in the hands of the British, and the Queen's army needed to recapture it in order to regain control of the kingdom. As they lacked the siege equipment to breach the fort, the troops had to invade directly through the gates of the fort.

Rani Velu and her commander-in-chief, Kuyili, came up with a plan to breach the front gates. Women from the nearby villages were expected to visit Kalaiyar Koil for the approaching festival of Vijayadashami. Kuyili, leading a small team from the Udaiyal Army, aimed to join them in disguise and infiltrate the fort, carrying concealed weapons.

When the time was right, they would open the gates for the rest of the army from the inside.

As per the plan, Kuyili prepared a small team to infiltrate Sivagangai fort. As the day of Vijayadashami dawned, a stream of women from the surrounding villages entered Sivagangai. Kuyili and her soldiers entered alongside them.

The festivities for the day were kept subdued due to the ongoing strife, but there was big festival planned for the evening. All the women congregated at the main temple. The rituals began and, at the assigned hour, Kuyili gave out a war cry: "Arise, my sisters!"

The Udaiyal women rose instantly and unsheathed their swords. They rushed boldly at the British soldiers on guard and fought their way towards the gate. Kuyili had spotted an ammunition depot right behind the temple. Also nearby was a cauldron filled with ghee for the deity's worship. She picked up the cauldron and doused herself with the ghee. Sword in hand, she charged towards the depot and slashed at the sepoys guarding the front. Picking up the torch placed at the entrance, she set herself aflame.

"For my Queen!" she cried.

Rani Velu and her army, who had moved close to the fort and were lying in wait, suddenly heard a huge explosion from the fort. Within minutes, the gates of the fort opened and a team of Udaiyal women on horseback rode to where Rani Velu's army lay concealed. Kuyuli had valiantly sacrificed herself in order to destroy the enemy's ammunition depot, leaving them defenseless. While her actions had opened up a window of opportunity for the Queen and her army, the devastating news of Kuyuli's death singed Rani Velu. She remained stunned on her horse, but time was of the essence.

Syed Karki, the general of the troops sent by Haider Ali, reminded the Queen of her duty towards her soldiers. Rani Velu regained her composure. Determined not to let the deaths of Kuyuli and Udaiyal go in vain, she charged gallantly forward. As the fire spread inside the fort, the men and women of Rani Velu surged towards the open gates of Sivaganga.

In the year 1780, Rani Velu Nachiyar defeated the English and took back her home, avenging the deaths of her husband and her loyal soldiers, Udaiyal and Kuyili.

After her victory over the British, Velu Nachiyar reigned over the kingdom of Sivangangai from 1780 to 1790. She made her daughter, Vellachi, heir to the throne.

The Marudhu brothers, her fellow fighters from the Kalaiyar Koil War, were given administrative positions in the kingdom. In memory of Udaiyal, she built a Kali temple at the location where she was beheaded by the British. To express her gratitude to Haider Ali for his immense and timely help, Velu Nachiyar constructed a mosque and a church at Saragani. She maintained friendly relations with Tipu Sultan, Haider Ali's son, and loved him like a brother.

Vellachi Nachiyar, Velu Nachiyar's daughter, succeeded her to the throne and ruled from 1790 to 1793. The 66-

year-old valiant queen Velu Nachiyar passed away in 1796 in Sivagangai, her beloved kingdom.

Appreciation And Depictions In Popular Culture:

As part of his album 'Tamilmatic', Tamil-American hip-hop artist Professor A.L.I. dedicated to Velu Nachiyar a song titled 'Our Queen'. On December 31, 2008, a stamp was released in her remembrance. The late J. Jayalalitha, former Chief Minister of Tamil Nadu, inaugurated the Veeramangai Velu Nachiyar Memorial in Sivagangai on 18th July, 2014. A six-foot tall bronze statue of the queen was also erected. January 3 is celebrated as the birth anniversary of the undaunted queen who shattered gender roles early as the 18th century.

To conclude, I first read about the brave queen Velu Nachiyar from my school text from the Tamil Nadu State Textbook for class six. Since then she has been inspiring to me and I personally read about her from other sources. Many such Kings and Queens and Commanders have fought against the British and gave their life in the battle but their histories are not known beyond the boundaries of their

concerned state. Poolithevan, Vennikaalaadi, Ondi Veeran, Alagu Muthukone, Muthuvaduganathar, Maruthu brothers, Sundaralinganaar, Vellaiyathevan, Dheeran Chinnamalai, Veera Pandiya Kattabomman are a few names from Tamil Nadu whose history is not widely known across the country. We have many such people from the rest of India. It's high time that we know and respect the people who gave us the freedom and glory that we have today. Long live their legacy.

HOSTEL:

A Caress Away from Home

March 6, 2022: my excitement knew no bounds! Known to have exorbitant cutoffs, I had finally secured a seat at the I.P Hostel. Amid the University reopening after the pandemic halt, the hostel allocation certainly came as a great relief. By this time, I had already started my second semester and was quite eased into the online college setting. Securing a hostel seat meant that the time had come to get out of my cocoon and experience the much-anticipated undergraduate life. This would be my first time living away from my parents, that too in a bustling city like Delhi! Uptight yet thrilled, I set foot into the I.P Hostel, manifesting to create some of the best years of my life.

Post a series of farewell hugs and tears, it was finally time to bid my parents adieu and take charge of the three years ahead of me. As I turned towards the three-tiered structure after seeing them off, a rush of dopamine flushed through, as if I were *Rani Mehra* from the movie 'Queen', all set to live her life to the fullest!

What unfolded was a series of moments that will be cherished forever. Growing up, I would often come across stories of family friends and cousins residing in paying guests or hostels. Aware of their tales, I was curious about what the place offered. Needless to say, my late teens and early 20s found a wholesome stay. More than anything, I formed great friendships. From celebrating New Year's in the midst of finals to being there for each other at one's lowest, this place will always have a special place in my heart.

Being a hostelite, I have created the most cherishable memories during hostel events. I vividly remember my first JAM night. These are our very own in-house dance parties with makeshift Spotify playlists! I remember my friends and I, dancing our hearts out, to catchy Bollywood songs after a tiring day of classes. Many of these events also meant brainstorming to dress your best and decoding the menu for the special dinner! On a typical hostel day, I would look forward to the mess table conversations – from stressing over coursework to planning our next food expedition – it was one cohesive discussion. Here at I.P, residing with a diverse cohort of students from different parts of the country made me empathetic and resilient in my outlook. It surely is a treat when you get to savour those mouth-watering treats from various regions of India after a break!

As I pen down this piece, I feel heavy-hearted. Being in my final year, I owe a large part of my undergraduate life to this place. Even though there's no 'next semester' to look up to, the hostel's caress will always be etched deep within me. From anxieties about college not reopening to being on the verge of completing two and a half years in the hostel, I found a home in the latter, a home that felt the coziest amidst the hustle.

UNHERALDED HEROES IN HISTORY OF BHARAT: Poetry on Major Sandeep Unnikrishnan (the hero of 26/11 attacks who was a part of NSG team)

While crossing the *Antim Pag* of the
Officers Training Academy, my heart
beats louder than the drums out there;
The lessons learnt there suddenly seems
bigger than what life has taught;.
Rather the lessons to live life with head
held high.

The lessons that taught,
When short of weapons
Arm yourself with raw courage;
When short of time, guard yourself with
strategy;
When all your men had laid down their
lives and you are short of men,
Think of the tricolour,
And set out showing all signs of courage
and valour;

What does it mean to be a Soldier?
Just fighting with courage or also
being the courage of people?
Nothing before the nation,
Nothing after that!

Salute to the sacrifices that went
unnoticed.
The eyes will forever search for that one
last familiar look,
The old trembling hands will forever
yearn for the touch of that soul,
Salute to the people who
Sacrifice their everything so that we can
sacrifice our everything for the nation!

As the luck would have it,
Fallen for the nation,
Carved out a new incarnation of pride,
of courage, of strength and passion;

As my countrymen know,
I'll rise from my grave at my country's
call,
Will arm myself again and will set out to
protect its walls.

Echoes of My Tongue

I understand three languages
I am fluent in two,
But the one I talk in most
Today it is subdued.
We learn to talk
before we even learn to walk.
A mode of communication, they say
Or a connection we have made.
The beauty of my mother tongue is
It is understood only by a few.
A privilege to some it seems
I don't want to lose it
Till I can live and breathe.
This language has done more job
than one
Not only has it build a community
It has given its speakers their own
identity.

Many today shy away to say it aloud
Outside the walls of their house.
But never forget the richness it entails
The roots it has prevailed
Reminiscing the good ol' tales.
On our beliefs we may divide
Our language is what makes us unite
Bonds and cultures coincide
When in need
Our mother
tongue becomes our pride.

Poems

A blank sheet of paper
Waits for the artist's brush
Or maybe to get blemished through
dirt and dust

Either poems will be scribbled
Or it will carry traces of memories
erased
The blank sheet of paper
Just waits

A place
That one place I would say I grew up in
No stagnant place

No trace of our footprints will remain
It will be painted over and furnished by
the next
But in the transience of such tide
We set out for a new haven

It would be a lie to say there's no regret
But no place to show where I grew up
in
Built me the world as a home

Indicating a route with each
destination closer still
These yellow footsteps are the best
Static, guiding the vivid stumbly
impatient steps
It's not easy to capture them
They are stepped on and left with dust
imprints
From colourful soles
As I get a moment to capture
The soles wait to step on the route
To their next stop
While I wait for a familiar face today...
Funny how just as I wrote
A stranger approached
These yellow footsteps weren't enough
A human's assurance she must have
sought
And here we are
Material remains will tell us loads of
stories
But the best ones live through
memories

THE SUN THAT GUIDES NO MORE...

Was I too naive to believe the Sun was
forever?
Or was it ignorance?
That I even dug the pits
And sowed the sunflower seeds...

Oh Sun! you gave the colourless light ;
Though you were a mixture of all.
There was darkness behind you;
Still you burnt your scars,
To guide us...

Learnt those lessons -
With symbols and hidden messages,
Even forgot to sleep
Because you turned the reality into a
dreamland;
A dreamland where life was a poem
A poem to be judged and questioned—
Even the teeny tiny elements;
faced Existential crisis.

Still do remember the rays of words...
The last story I read under your rays —
"The Last Lesson";
Like 'M.Hamel' you chocked your last
rays...

The Universe played dirty,
Ousted the Sun to bring tubelights and
LED
From colourless to white,
To yellow, to orange and soon to red...

The Sunflowers I planted
Are still under the Soil
If tubelights can do the same job;
Better than the Sun,
Can they really help them grow?
Can they really guide them?
Can they really be their Master of
knowledge???

COGITO OR PERCIPI

As the crowd disperses, a faint shadow you'll see,
Sitting in the corner - a kid? Oh! That's me.
Yes, it's not your ripped jeenz
It's torn, blame my genes.
Wasn't born in caged palaces; unlike you,
But in eternal space - here on the footpath street.

Right in front of me lies the weighing machine,
All come to it - the humble and the queen.
Hand me a coin, whilst against the wall I lean,
Pat me on my back, and soon they leave.
The needle - that moved when they stepped,
Springs back; again to the mean,

Just like waves that hit the shore so loud,
Like thunder strikes the land and cloud
Like life takes a ride, with all it's ups and downs
But all merge in the same ether - people with bowls and those with crowns.
Rhymes too much with the life I lead,
With the little penny, paying my school fees.

With all my imaginations that run wild with the breeze,
I sit and stare at my monotonous routine,
From dawn to dusk - there ne'er happened a thing in between.
Until one day, she came and stood on the machine.
And as I raised my hands, to get the penny, droplets I could feel.

Waters rolling down her cheeks, fell into my eyes,
As she gave me ten times the amount and went - but her eyes couldn't lie.
I knew her, a strong yet indescribable feeling,
But every time she came, it was my emotions that I was concealing,
Until one fine day, I ask this person beside me,
The one who went right now - Who is she

What are you saying, my child,
 There's been no one since morning, go gentle and mild.
 I went back to work, thinking all's a dream that just went wrong,
 But this temporary silence before the storm- obviously did not last long.
 As she came again, after seven exact days,
 And until she would vanish from sight, my soul never stopped to gaze.
 This time I asked my dad,
 Drew the lady for him; waiting for his answer - so glad!
 He patted my back, and went to the door,
 Oh child! She's your mother, I can't say anything more.
 With this he left for his daily work,
 My feet froze, as the earth beneath gave a jerk.
 I pay my fees, with all the penny she gave,
 No time to bow down and surrender, I need to be brave;
 Working the whole day, with books in hand,
 I let no winter rag my hand, or pierce my vision with dust and sand.
 Poor boy! Has to work so hard, you say so and leave;
 Because black and white is all you will perceive,
 But can you see the fire burning within me?
 Life has changed after her leave,
 Never witnessed her again - I wish and long, if only I could see,
 But she was gone 10 years before, only while giving birth to me.
 Today, I sit and read on the same lane,
 Engrossed in studies, I look for hope amidst this pain.
 People come and go, they give me pennies,
 I sit immersed in books, even as cold waves pierce through the torn jeans, freezing
 my knees.
 But when the breeze flows, and conscience diverts away;
 I often wonder - who she was by the way.
 Existing in thought only - in my mind she breathed,?
 Or did she really come? - as dictated by *percipi*.
 This answer - I never found,
 Even as I finish my homework, "Well done my child" - I just hear her sound!

WILD-LIFE

Serene meadows
Look out the window
You'll see the world differently

Blue skies
Butterflies
Live the life of your dreams

Set out and see
How beautiful it can be
Your imagination might get a defeat

You walk and walk
Adore the scenes
Trying not to blink
There's no one to talk

The wind blows
You too go with the flow
To places no one knows

Wondering where you lived your whole life
Is this what heaven feels like?
Climbing up
The rock that laid for ages
Saw many phases

Prancing through the flowers
Looking back and forth
Now having no idea where did you belong
Felt a sensation
With a little pinch of thorn
On the widespread ground you ignored before
And soon realise, painted picture in your head
Will be torn

The birds that chirped
Are going to nest
To leave the dark night ahead
Night owl hoots
Trees extend their roots
Deep inside the ground
There's no one around
Screaming for help
Want to go home?
But diminished its worth
Just to be all alone

Sun is gone
Eyes are heavy
Feet are tired
Thinking its not that dreamy

Because it befriends you
Every time and time it cross my way
I'm blinded with the insults and shame
You both make up together for me

Force them to blabber things about me
I stop them with words
But it just makes it worse

You make me loose my calm
You make me choose the war

Because i can

Navigating the Role of NEP in Character Development

The Indian education system is to be reformed through the New Education Policy (NEP) 2020 plan. One of its main features is its importance on all aspects of development and character formation. This article navigates the role of NEP 2020 in character development and explores its provisions and their affect on the development of moral, social and emotional ethics and values in students. This article also examines the challenges and opportunities associated with implementing vision policies. This article aims to contribute to ongoing debates about education reform and civil rights reform in the 20th century

by examining the new six-year-old law. 2020. New Education Policy (NEP) 2020 is an important document that outlines reforms to be made to education in India is the New Education Policy (NEP) 2020. It aims to promote student growth while addressing the evolving demands of the twenty-first century. The idea of character formation, which encompasses the growth of students' morality, social responsibility, and emotional intelligence, is fundamental to this goal. This article envisages NEP 2020's function in character development and assesses its capacity to uphold moral principles and foster the growth of responsible people.

The Ethical Imperatives of Character Building

Character building is integral part of the country's morality and culture. It is important to promote values like empathy, justice, fairness, and respect for differences. Technical education is essential in India due to the country's cultural, religious, and linguistic diversity. NEP 2020 highlights the significance of instilling in kids a universal set of human values and

acknowledges the role that ethics play in character development. Our goal is to develop morally upright and responsible people in addition to gifted students by including moral education into the curriculum.

Character Development Policy in NEP 2020

NEP 2020 has introduced various policies directly related to character development. One of the main points is the importance of different approaches to learning, encouraging students to explore different subjects and better understand the world. This discussion process provides the opportunity to contextualize ethics and morals, encouraging a better understanding of the importance of behavior in life and work. It also promotes the inclusion of life skills in the curriculum, encompassing subjects like politics, social studies, philosophy, and ethics. This top-notch education equips students with the tools to address ethical dilemmas, communicate effectively, and collaborate with others. NEP 2020 aims to guide students in making ethical decisions and contributing to society by integrating life skills into the curriculum.

Moreover, NEP 2020 underscores the significance of experiential learning, such as community service, internships, and employment, as a way to enrich students'

comprehension, critical thinking, and social engagement. Through participation in real-world activities, students gain a deeper understanding of the ethical dimensions of various societal issues and collaborate with leaders who promote compassion.

Challenges & Opportunities

Although the housing development plan proposed in NEP 2020 is appealing, it comes with numerous difficulties in its implementation. The need for teacher training programs that will help teachers become more effective and understanding is an important problem. It should also be measured against the policy's various development goals to ensure that students' moral and social development is recognized when they graduate. In addition, communication education still poses a problem in terms of the moral, economic, and cultural history of many countries. It is important to ensure that the values and virtues that character development promotes are relevant and inclusive of the life experiences of all students, regardless of their background. This requires developing educational leadership and creating community participation in the educational process.

Despite these challenges, NEP 2020 still has a unique opportunity to define

the educational process to understand ethics and social responsibility. Policies that encourage collaboration between schools, NGOs, and participating organizations can create collaborative relationships that improve classroom behaviour.

In conclusion, the new Education Policy 2020 highlights the important role of personality in the development of education in India. By combining laws, ethics, life skills and education, a solid foundation is provided for people to develop not only academically but also integrity and deep responsibility. However, the realization of this vision depends on the solution of emerging problems and the correct use of resources. Through continued dialogue, collaboration and strong commitment to character building, NEP 2020 has the potential to create a generation of compassion, ethics, and citizenship that will be beneficial to the progress of the country. In this article, we will examine NEP 2020 from the perspective of character development and analyze its plans, challenges, and opportunities. In the context of today's issues, it is important to discuss the character of education and NEP 2020 is a force to rethink education as a force for change in development, morality, and social welfare.

“Gender does not matter. You work as a scientist, not as a woman,” said the Missile Woman of India, Tessy Thomas. In the realm of Science, Technology, Engineering, and Mathematics (STEM), many women like her have been rewriting the narrative, breaking barriers, and contributing significantly to innovation and progress. This article delves into the inspiring tale of women in STEM from India, exploring their history, challenges, triumphs, and the promising future that lies ahead.

Women in STEM: Challenges and Triumphs

History

Throughout history, women in India have been standout achievers in STEM, from the ancient mathematician Lilavati to contemporary ISRO scientist Ritu Karidhal Srivastava, who co-led projects like Mangalyan and Chandrayan-III. Indian women consistently make vital contributions to STEM, with figures like Muthayya Vanitha in science, Sudha Murty in engineering, and Sakuntala Devi in mathematics. Despite facing numerous challenges, these women have risen to the top in their respective fields.

Need

Having more women in STEM is really important. It's because women bring different perspectives that help in coming up with new ideas and solving problems. When teams have diverse members, they work better together. This is good for the economy and society too, as STEM jobs are usually better-paying ones. When we support women in STEM jobs, it's not just about being fair; it helps the country grow and improves our communities. Also, when girls see successful women in STEM, it breaks old stereotypical ideas about what girls can or cannot do. So, having more women in STEM isn't just about having more women at

work; it's about making things better for everyone and making progress in our world.

Challenges

Historically, women have always faced strong challenges in pursuing careers in STEM fields. The influence of patriarchy acts as a significant barrier, reinforcing traditional gender roles and discouraging women from entering male-dominated sectors like science and technology. Additionally, the stereotype associating women with "pink-collar" jobs limits their exposure to

STEM opportunities, creating a mindset that hinders their pursuit of these fields. The scarcity of visible role models further adds to the issue, as young girls often lack examples to look up to and aspire to STEM

careers. All of this leads to the underrepresentation of half of humanity in the most rapidly growing and lucrative fields; this not only perpetuates gender inequality but also results in the loss of valuable perspectives and talents.

On a very positive note, despite all of these challenges, Indian women have always been breaking barriers and stereotypes by pursuing such fields and making exceptional contributions to them. Increasing awareness, advocacy for gender equality, and the rise of female role models are paving the way for more inclusivity in STEM, ensuring a brighter and more equal future.

Victory

Indian women in STEM have been achieving remarkable milestones, marking a significant shift towards becoming leaders. Notably, the *Chandrayaan-3* mission, led by two women scientists, stands out as a testament to their expertise and leadership. Over 100 women were actively contributing to the same project. The gender ratio of people pursuing STEM in India has been constantly improving, reflecting a positive change. Government initiatives like the Vigyan Jyoti and KIRAN schemes are playing pivotal roles in encouraging and supporting women in STEM, but more than that, the extreme efforts of such women, coupled with increasing awareness, are creating an environment where

Indian women continue to triumph and make substantial contributions in the dynamic and evolving landscape of science and technology. I believe many undiscovered cures, groundbreaking inventions, and revolutionary theories have been lost to the world because they were never given the chance to blossom simply due to gender. A positive change in this notion in recent times is going to be bliss for humankind.

As we celebrate the achievements of women in STEM, it's crucial to envision a future where gender no longer dictates opportunities. As we look to the future, let us strive for a world where the achievements of women in STEM are not exceptional but rather the norm.

जीवन के राग : कला और साहित्य

कला क्या है ? सबसे पहले किन आवश्यकताओं की पूर्ति हेतु कला की उत्पत्ति हुई होगी ? क्या साहित्य या कला आज भी मनुष्य के लिए जरूरी उपादान है ?

कला मनुष्य की वह आदिम भूख है जो उसके निज की जरूरत है। मनुष्य का मूलभूत स्वभाव है, स्वयं को बाँटना। अपने अनुभव, अपने विचार वह दूसरों तक पहुँचाना चाहता है। अपने हिस्से की कहानी, वह अपनों को भी सुनाना चाहता है। अपने एकांत के पलों को जिस दिन व्यक्ति दूसरों के साथ बाँटने को तैयार हुआ, उसी क्षण कला की सृष्टि हुई। कला व्यक्ति के व्यक्तित्व का, उसके होने का प्रमाण है। कला स्वयं को साझा करने का माध्यम है। व्यक्ति स्वयं को पूरी तरह से खो देता है, ताकि उसे कला के माध्यम से पा सके। कहते भी हैं कि सृजन का वह होता है , जहाँ हम स्वयं को भूल कर केवल कला को याद रखते हैं। इसका एक अच्छा उदाहरण है रंगमंच। अभिनय के दौरान अभिनेता स्वयं की पहचान को पूरी तरह भुलाकर केवल एक कलाकार रह जाता है, उसे केवल अपनी भूमिका याद रह जाती है। अपने आप को भूलकर वह अपनी कला को पा लेता है। सच्ची कला यही कार्य करती है, विस्मृति के माध्यम से स्मृति की निरन्तरता को बनाये रखना।

कहा जाता है जीवन जीना एक कला है, लेकिन सच यह है कि कला स्वयं जीवन है, ऐसा जीवन जो विदेह है लेकिन है धड़कनों से भरपूर, जो अगोचर होते हुए भी दिखायी देता है और मौन होते हुए भी इतना वाचाल है कि उसके बोलों की अनुगूँज को समय भी नहीं बाँध पाता, वह अनुगूँज बंधनजयी और कालजयी हो जाती है। वास्तव में कला अरूप का ऐसा मोहक स्वरूप है जो चित्र, शिल्प और स्थापत्य जैसे रूपों में दिखायी देता है। कला का स्वयं में कोई स्वरूप नहीं होता और उसका ऐसा होना उसकी विवशता नहीं स्वभाव है। साहित्य या कला, याद रखने की नहीं, अपितु अनुभव करने की चीज़ है। एक अच्छी फिल्म, एक अच्छा संगीत या एक अच्छा उपन्यास, हमारे अनुभव का हिस्सा बनते चलते हैं। उन्हें याद नहीं रखना पड़ता क्योंकि हम उन्हें अपनी स्मृति का हिस्सा बना लेते हैं। किसी किताब को पढ़ते हुए, किसी गीत को सुनते हुए, जिस बिंदु पर जाकर हम ठहर जाते हैं, दरअसल उसी एक बिंदु पर हमारा आत्म छिपा होता है। किताब के माध्यम से हम अपने उसी आत्म या सेल्फ को पढ़ने की कोशिश करते हैं। और यह वजह है कि कला में सबकी पसंद अलग होती है। प्रत्येक व्यक्ति का प्रिय लेखक अलग होता है। लोगों के अनुभव एक जैसे नहीं होते फिर उनका पसंदीदा साहित्य एक जैसा कैसे हो सकता है ?

आज के इस दौर में जबकि प्रत्येक वस्तु या व्यक्ति एक क्लिक की दूरी पर मौजूद है, ऐसे में कला की क्या जरूरत हो सकती है। जहाँ मनोरंजन के तमाम साधन मौजूद हैं, ऐसे में किसी उपन्यास या पेंटिंग को ठहर कर क्यों देखा या पढ़ा जाए? पूंजीवाद के इस युग में प्रत्येक चीज़ बिकाऊ है। ज्ञान भी, रिश्ते भी और इन सबको आसानी से उपलब्ध करा सके ऐसा फ़ोन भी। रिश्ते जोड़ने की तमाम साइट्स उपलब्ध होने के बावजूद भी आज जिस तरह से रिश्तों के बीच अजनबीपन और दूरी बढ़ी है, उसके पीछे क्या वजह हो सकती है। वजह साफ़ है हमने लोगों को चीज़ों की तरह बरतना शुरू कर दिया है। मशीन खराब होते ही जैसे हम मशीन बदल लेते हैं या नया वर्जन आते ही उसे अपडेट कर देते हैं, वैसी ही सुविधा हमें रिश्तों में भी चाहिए। हर दम कुछ नया पाने की यह लालसा हमें इन्सान और इंसानियत से दूर ले जा रही है। आज प्रत्येक चीज़ दिखाऊ है, हम पाप और पुण्य के बारे में कम, स्टेट्स के बारे में ज्यादा सोचते हैं। हम प्रेम सम्बन्धों को निभाने की नहीं उसे दिखाकर ज्यादा से ज्यादा लाइक्स पाने की उम्मीद रखते हैं। कला हमें इस महामारी से उबरने में सहायक हो सकती है, कला सिखाती है ठहरकर सोचना, रिश्तों को प्रेम देना। कला उस रिक्त स्थान की पूर्ति है जो हमारी आत्मा को खोखला होने से बचाती है। कला हमारी प्यास नहीं बुझाती अपितु हमें यह एहसास करा देती है कि हम अब तक कितने प्यासे थे। यह हमारी आंतरिक जरूरत है, हम तकनीकी रूप से चाहे कितने भी उन्नत क्यों न हो जाएँ मगर एक मनुष्य के रूप में कला या साहित्य की आवश्यकता हमें हमेशा रहेगी।

भारत में साहित्य का अर्थ बड़ा व्यापक है। भारतीय साहित्य भाषा को भाषा के साथ या भाव को भाव के साथ ही नहीं मिलाता, अपितु मानव को मानव के साथ, अतीत को वर्तमान के साथ और बाह्य को अंतर के साथ मिलाता है और इसे आचार्य रामचन्द्र शुक्ल 'वृत्तियों का सामंजस्य' कहते हैं और यही कार्य कला भी करती है। मनुष्य के कला प्रयत्नों का अर्थ है 'जड़ता से संघर्ष' और यही प्रयोजन साहित्य का भी है। नवीन जी की पंक्तियाँ हैं

कवि कुछ ऐसी तान सुनाओ जिससे उथल-पुथल मच जाए।
एक लहर इधर से आए एक लहर उधर से जाए ॥

कथानक व्याकरण समझे तो सुरभित छंद हो जाए

मातृभाषा मेरी पहचान

अपनी मातृभाषा के साथ मिलने वाला महत्व और प्राकृतिक जुड़ाव व्यक्ति को सशक्त बनाता है। अपनी मातृभाषा में पारंगत होने से व्यक्ति में अपने मूल स्थान और मूल लोगों के प्रति करुणा और सद्भाव की भावना पैदा होती है। अपने देश की भाषा पर पकड़ आत्मविश्वास और गर्व की भावना पैदा करने के लिए काफी शक्तिशाली है। इस विशेष दावे को उपनिवेशवाद और साम्राज्यवाद के ऐतिहासिक समय को खोलकर पाया जा सकता है। जहां साम्राज्यवादियों का प्राथमिक ध्यान उपनिवेशों के लोगों को उनकी मातृभाषा से छुटकारा दिलाना और उन्हें उपनिवेशवादियों की भाषा सिखाना था, क्योंकि भाषा अपनेपन की भावना को संजोती है और किसी व्यक्ति को उसकी मूल संस्कृति के भीतर ढूंढती है और इस प्रकार उनकी पहचान को मान्य करती है। जैसा कि अल्फोंस डौडेट की कृति 'द लास्ट लेसन' में देखा जा सकता है।

यह मुझे अकबर और बीरबल की कई कहानियों में से एक पर वापस ले जाता है, जहां बीरबल ने अपनी बुद्धि से एक महान भाषाविद् की मातृभाषा की खोज की थी जो हर भाषा में पारंगत था। बीरबल ने चोर के भेष में उसे नुकसान पहुंचाने का डर दिखाकर उसकी मातृभाषा का ज्ञान प्राप्त कर लिया। भाषाविद् केवल एक ही भाषा में चिल्लाते रहे और इस प्रकार अपनी मातृभाषा का ज्ञात दे बैठे। इस कहानी से पता चलता है कि जब कोई व्यक्ति डर में होता है तो वह जो भाषा बोलता है वह उसके दिल की भाषा होती है जो कोई और नहीं बल्कि उसकी मातृभाषा होती है। अपनी मातृभाषा को अपनाने से लोग अपने सांस्कृतिक जुड़ाव के करीब आते हैं और उन्हें एक ऐसे प्रतिमान में बदल देते हैं जहां वे अपने अस्तित्व को संजोते हुए आगे बढ़ सकते हैं और विकास कर सकते हैं।

विश्व गुरु के रूप में भारत: गौरवशाली विरासत

भारत उस मिट्टी का वृक्ष है
जिसको आजादी के मतवालों के खून ने
सींचा है,
क्या तुम इस देश को अमन का पाठ
पढ़ाओगे?
फिर से विश्वगुरु बनने निकले भारत को
क्या तुम फिर जंजीरों में जकड़ पाओगे?

नया आसमान, नया है मंज़र,
नए भारत की सुनहरी है शुरुआत,
इस आलोकित और अविस्मरणीय भारत
के दृश्य को
इंद्रधनुष ने भी झुककर किया सलाम है,
विश्वभर में राष्ट्रवादी आन्दोलन का नेतृत्व,
यह हिंदुस्तान की नई पहचान है।

देश के दिल बनके धड़कते हैं ये
तिरंगे का रंग फीका पड़ने पर,
अपने खून से भरपाई करते हैं ये,
मार्स की ज़मीन से लेकर,
ऊँचे से ऊँचे पर्वत तक,
तिरंगा लहराकर अपने मेहनतकश होने का
परिचय देते हैं ये।

बिना अपने सूने आंगन की परवाह किये
दूसरे की शहादत को अपने नाम लिखे,
देश ने तो बस एक सिपाही खोया,
पर उनके परिवार का तो सब कुछ देश पे
न्यौछावर हो गया

यहाँ की मिट्टी में ही वीरों के वीरता का
अहसास है
यहाँ बरसने वाली हर बूंद में आजादी का
सुकून है,
हम जो आज हिंदुस्तानी हैं,
वो हज़ारों की कुर्बानी है।

बारिश और तुम

बारिश में तुम मुझे बहुत याद आते हो,
बारिश मुझे पंसद है, वैसे ही जैसे कि तुम..
मुझे बारिश को देखना पसंद है,
वैसे ही जैसे कि तुमको..
मैं बारिश को छूना चाहती हूँ,
वैसे ही जैसे कि तुमको..
थोड़ी देर के लिए ठहरती है बूंदें,
पेड़ की कुछ टहनियों पर,
वैसे ही जैसे कि मेरे पास तुम...
मुझे बारिश में भीगना पंसद है,
वैसे ही जैसे कि तुमसे मिलना...
बारिश आती है, खुशियाँ देती है और चली जाती है,
वैसे ही जैसे कि तुम...
किसी पेड़ के पत्तों पर बारिश की बूंदें देखकर,
मैं उन्हें छेड़ देती हूँ,
वैसे ही जैसे कि तुमको...
मैं बारिश को अपने पास रख लेना चाहती हूँ, वैसे ही जैसे कि
तुमको...
मुझे पंसद नहीं है,
बारिश के बाद कीचड़ से लथपथ जमीन,
और साथ थोड़ा वक्रत बिताने के बाद तुमसे दूरियाँ..
बारिश मुझे पंसद है,
वैसे ही जैसे कि तुम..

भारतीय रसोई के स्वाद

“खाना पकाना जीवन के सबसे मजबूत अनुष्ठानों में से एक है। – लौरा एस्क्विवेल

रसोई का अर्थ है वह स्थान जहाँ स्वादिष्ट व्यंजन बनाए जाते हैं। भारतीय रसोई विश्व की सर्वश्रेष्ठ रसोईयों में से एक है, जहाँ बनाये गए भोजन में माँ के ममत्व और स्नेह की झलक भारतीय रसोई के स्वाद को और भी अधिक निखारती है।

भारतीय रसोई सिर्फ खाना पकाने का स्थान मात्र नहीं वरन् घर की आत्मा होती है। यहाँ रसोईघर को पूजा घर की तरह पवित्र माना जाता है। कई घरों के रसोईघर में जूते-चप्पलों का निषेध होना, बिना स्नान के खाना पकाना या खाना, इस तथ्य की पुष्टि करते हैं कि भारतीय रसोई में भारतीय संस्कृति और सभ्यता आज भी शामिल है। खाना पकाना एक विशिष्ट प्रकार की कला है, जिनपर भारतीय स्त्रियों का विशेष अधिकार रहा है। आज के इस आधुनिक युग में यहाँ के पुरुषों में रसोई में समय व्यतीत करने की चाव एवं रसोई के स्वाद में तड़का लगाने में विशेष रुचि अक्सर दिखाई देती है। भारतीय रसोईघर की मान्यता है कि भोजन को पकाते समय चख लेने से वह ‘जूठा’ हो जाता है, यही कारण है रसोई में खाना पकाने वाला व्यक्ति खाने में कौन से मसाले किस मात्रा में डालने है इस बात की जानकारी जीभ के अलावा अन्य इन्द्रियों की मदद से प्राप्त कर लेते हैं।

भारतीय रसोई के स्वाद का जितना श्रेय खाना पकाने वाले के स्नेह एवं उनकी अद्वितीय प्रतिभा को जाता है, उतना ही श्रेय भारतीय मसालों में छुपे स्वाद और खुशबू का भी है। ये मसाले रसोई के अभिन्न अंग हैं, यह स्वादिष्ट होने के साथ-साथ स्वास्थ्य वर्धक भी होते हैं। आयरन, कॉपर, कैल्शियम, प्रोटीन, कार्बोहाइड्रेट, फाइबर मैगनीज, मैग्निशियम आदि से परिपूर्ण होने के कारण ये मसाले मधुमेह, प्लू या गले में खरास, अपच, हृदय रोग जैसी समस्याओं को दूर करने के लिए कारगर साबित होते हैं। यह कहना उचित होगा कि भारतीय मसाले, भारतीय रसोई की पहचान हैं। भारतीय रसोईघर पोषण का भंडार होने के साथ-साथ औषधालय भी है। यहाँ तैयार औषधियाँ बीमारियों को दूर भगाने में माहिर हैं वह भी स्वादिष्ट तरीके से, अब औषधि इतनी स्वादिष्ट और किफायती हो तो घर में तनाव भी कम हो ही जाता है।

भारतीय रसोई के स्वाद तनाव दूर करने के में भी सफल है, फिर चाहे वो सुबह के पराठों के साथ चाय की चुस्की लेते हुए अखबार की सुखियों में डुबना हो या रात में पूरे परिवार का एक साथ शाही पनीर की खुशबू में खोना। ये स्वाद परिवारों को जोड़ना भी खूब जानते हैं बच्चा परीक्षा में उत्तीर्ण हुआ तो खीर, बारिश के मौसम में पकोड़े, त्योहारों में पकवानों का मेला लगा देना भारतीय लोगों और उनके रसोई की खासियत रही है।

भारतीय रसोई के स्वाद भारतीयों में प्रचलित होने के साथ देश-विदेश में भी दिन-प्रतिदिन तेजी से फैल रहे हैं। इन स्वाद की ओर आकर्षित होकर विदेशी यहाँ खींचे चले आते हैं। ये विदेशी पर्यटक भारतीय पकवानों को चाव से खाने के साथ उन स्वाद के पीछे छुपे राज को जानने और समझने के लिए उत्सुक नजर आते हैं।

अपनी विविध विशिष्टता के कारण दुनिया के विविध देशों में भारतीय रेस्तरां लोकप्रिय रही है। हालांकि आज हम चाईनीज, इटालियन, जापानी इत्यादि रेस्तरां में नये-नये व्यंजन खाना पसंद करते हैं, किन्तु भारतीय रसोई के स्वाद से आज भी भारतीयों का स्नेह कम नहीं हुआ है।

अतः ये कहना उचित होगा कि भारतीय रसोई के स्वाद भारत और भारतीय जनता की पहचान है। भारतीय सभ्यता और संस्कृति को सहेजती यहाँ की रसोई आधुनिक पीढ़ियों को भी इसे जानने, समझने और अपनाने के लिए प्रेरित करती है। अपनी बेहतरीन अंदाज के कारण भारतीय रसोई पूरे विश्व में प्रसिद्ध है। सचमुच यह स्वाद अद्भुत और अद्वितीय है। इन जादुई स्वाद के पीछे भारतीय रसोईघर के जादूगरों का स्नेह और निस्वार्थ प्रेम भाव इसे और भी खास बनाता है।

भारत, मेरी मिट्टी, मेरा देश और मेरा गौरव

लगभग दो सौ वर्षों तक एक उपनिवेश रहने से लेकर कुछ ही समय में अपना गौरव पुनः प्राप्त करने तक, मुझे इसके विकास और उपलब्धियों के अद्भुत पाठ्यक्रम का प्रमाण बनने के लिए बहुत गर्व और सम्मान से भर देता है। आज यह बहुध्रुवीय विश्व व्यवस्था में महाशक्तियों में से एक होने के पायदान पर खड़ा है।

भारत अंतरिक्ष, विज्ञान और प्रौद्योगिकी, रक्षा, खेल, व्यापार, मनोरंजन, पर्यटन आदि क्षेत्रों में गर्व से आगे बढ़ने में कामयाब रहा है। यह समय की कसौटी पर खरा उतरा है और एक हजार से अधिक संस्कृतियों, भाषाओं, बोलियों और धर्मों और उप-धर्मों के समावेश को सफलतापूर्वक बनाए रखने में कामयाब रहा है। भारत ने हर पहलू में उत्कृष्ट प्रदर्शन किया है, यहां तक कि उन क्षेत्रों में भी जहां इसकी उम्मीद नहीं थी। आज एक अरब लोगों की खुशी भारतीय क्रिकेट टीम की सफलता पर निर्भर करती है। आज लोगों की आशाएँ और आकांक्षाएँ खेल के माध्यम से प्रकट होती हैं।

गौरवशाली मंदिर वास्तुकला, विशेष रूप से देश के दक्षिणी भाग में गोपुरम के साथ-साथ प्रतिष्ठित भारतीय नमस्कारम को दुनिया भर में अत्यधिक मान्यता प्राप्त है। देश में जानवरों के प्रति निहित भक्ति और हर प्राणी में भगवान की उपस्थिति को स्वीकार करना एक और उल्लेखनीय उपलब्धि है। भारत की एक विशिष्ट औपचारिक विशेषता भी है, जो देश में रहने वाले प्रत्येक समुदाय के साथ उनके त्योहारों, संस्कृतियों और व्यंजनों को लेकर आती है।

भारत अपने संबंधित महत्व और प्रासंगिकता के साथ कई पारंपरिक व्यंजनों को गर्व से शामिल करता है। यह प्रत्येक संस्कृति के स्वदेशी संगठनों द्वारा चिह्नित अनेक जातीयताओं से समृद्ध है। भारत की विरासत वास्तव में संस्कृति और परंपराओं के कई तत्वों के एक आदर्श मिश्रण की एक असाधारण वास्तविकता है जिसने देश की अद्भुत विरासत में बहुत योगदान दिया है।

भारत की आजादी के भूले हुए नायक

जिन राहों पर आजादी का फल चखा,
उनपर न्योछावर कितने प्राण हैं,
जिन्हें तुम पहचानते भी नहीं,
उनके ही कर्म निधान हैं।

हो मतवाले तुम इस राह पर,
आजादी के खुशहाली में,
हां भूल गए तुम उन शहीदों को,
जो लगे थे देश की रखवाली में।

वे नायक, वीर, सैनिक, शहीद,
जिनके बल पर यह शान है,
हां याद रहेगी उनको भी की,
यह कर्मभूमि हिंदुस्तान है।

विस्तृत ऊंचा लहराए तिरंगा,
मुल्क हमारा दिव्यमान हो।
पर याद रखो नायकों को,
जिनसे मिला यह स्वाभिमान हो।

यह भूमि कण-कण अर्पित है
है ऋणी उन्हीं के कार्यों की,
हां ध्यान रखो भारतवासियों,
उनके भी मान सम्मान की।

वर्ष गुजरे, सदियां गुजरी,
बदली कई पीढ़ियां,
वक्त बदला, समाज बदला,
बदली कई रूढ़ियां,

हम नित नए ऊंचाइयों तक जा रहे,
पर याद रखें उन जड़ों को,
जिनके वजूद से
हम स्वतंत्र भारत कहला रहे।

वंदे मातरम की गूंज हो सदा,
यह देश कीर्तिमान रहे,
अखंड रहे यह भारत,
और नायकों का सम्मान हो।

जिन्हें भूल गए हम वर्षों पहले,
उनका सदैव ध्यान रहे,
है भूमि जो जिंदादिल,
इसके निर्माणकर्ता जिंदाबाद रहे।

बीज का नाद सुनो

तपती धूप में मुझे फेंक दिया था
आखिर बीज ही तो था, इसमें गलत क्या किया था ?
किसी के कदम पड़े, और मैं नीचे अंधकार में चला गया
धरा के अंदर, न जाने किस लोक में आ गया ?

कुछ दिनों के बाद अचानक से इतना उजाला हो गया,
मुझमें कुछ पत्तियां क्या आ गयीं,
जो कल धूप में फेंक गया था,
आज खुद पानी देने आ रहा था ।

समय के साथ साथ मेरा संसार भी बड़ा होने लगा था,
अब तो कितने ही लोगों का भोजन, घर और साथी जो बन चुका था,
टहनियों पर बैठ चहचहाती चिड़ियों की गाथा सुनने लगा था
उनके भी मासूम बच्चों को पंख फैलते देखने लगा था ।

जीवों में श्वास बन कर बहता था,
जिस धरा से जन्म लिया था, उसे पकड़ कर रखा था,
नीचे जा रहे भूके लोगों की झोली में फल डाल देता था,
और धूप, वो तो मैं हसते हसते धारण कर लेता था।

छोटे बच्चे फल ले सकें, इसलिए मैं कभी कभी झुक भी जाता था
आँधी चलती थी, तो मैं दृढ़ता से खड़ा भी हो जाता था
पर उस दिन न रह पाया था,
जब वो फिर से मुझे पानी देने आया,
पर इस बार एक आरी साथ लाया था,

पांच वार किये थे उसने,
जिसे मैं रोज़ फल देता था,
तपती धूप में अपनी छाँव देता था।

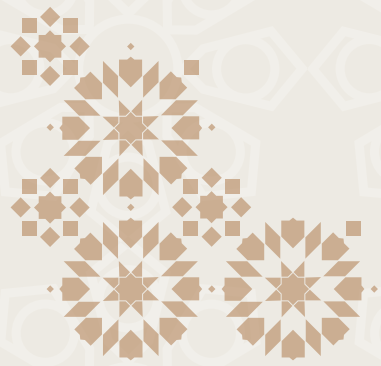

तुम्हे क्या लगा, तूफानों को झेल जाने वाला,
उस पतली आरी के वार से मर गया था?

मैं तो उसी क्षण गिर गया था,
जब तुमने मेरा विश्वास तोड़ दिया था,
मेरी लकड़ियों का सौदा कर लिया था,
बेजुबान समझ मुझे एक बार फिर से तपती धूप में फेख दिया था।

मेरे ऊपर रहने वाली चिड़ियों को मुझे धन्यवाद कहना था,
पर मैं कुछ बोल पाता इससे पहले ही तुमने मुझे काट दिया था,
आज तुम्हारे घर की चौखट का दरवाज़ा बना कड़ा हूँ;
जो तूफानों को सेह जाता था, आज हर हवा के झोंके पर झूम उठता हूँ।

भले तुम न समझ सके इस सम्बन्ध को,
पर मैं तो आज भी यही कड़ा हूँ,
एक तरफ मेरे फलों को पेड़ बनते देख रहा हूँ,
और इधर तुम्हे फिर से सौदा करते देख रहा हूँ,
बेजुबान ही सही, पर मैं देख रहा हूँ।

100 साल बेमिसाल सपनों का घर: इंद्रप्रस्थ

खांडवप्रस्थ को इंद्रप्रस्थ में,
पांडवो ने बदला था,
पर इंद्रप्रस्थ ने
बेलन को लेखनी में बदला,

समाज की रूढ़िवादी विचारधारा को क्रांति में,
वो विचारधारा जो बस लड़कियों को चूड़ी पहना कर
घर पे बैठाती थी,
पर हमारे संघर्ष को यह स्मरण था,
कि अवनति, उन्नति का ही पहला चरण था,

जो संघर्ष 'इंद्रप्रस्थ गर्ल्स' स्कूल से शुरू हुआ था,
वो 'इंद्रप्रस्थ महिला महाविद्यालय' पर आ पहुंचा है,
हमने केवल लड़कियों को आजादी के लिए, लड़ना
नहीं सिखाया,
बल्कि स्वाभिमान से जीना सिखाया।

हमने हमारी बच्चियों को पानी से डरना नहीं,
तरण ताल में तैरना सिखाया।
इस सौ वर्ष की यात्रा में हमने,
बहुत सारी जिंदगियां बनते हुए देखी।

हमें पता ही नहीं चला कब हमारे प्रांगण में खेलती
हुई,
सुचेता उत्तर प्रदेश की पहली महिला मुख्यमंत्री बन
गई,
कब, हमारे 'आलाप' की जसपिंदर की आवाज देश
की जानी मानी आवाज में बदल गई
हमने सपनों को वास्तविकता का रूप दिया है।

हमने केवल सपनों को ही नहीं
जैव विविधता को भी पोषित किया
नेचर पॉजिटिव यूनिवर्सिटी के साथ सहभागिता की
ये सौ वर्ष आसान न थे
बेलन छीन के लेखनी देना आसान ना था,
समाज की रूढ़िवादी विचारधारा से लड़ना आसान
ना था,
हमने अवहेलनों का ताप सह के, इन ग्लोरियस सौ
वर्षों में ग्लोरी प्राप्त की है
“निष्ठा धृति सत्यम्” के आदर्श को सदैव स्वयं में
जीवित रखा

और सदैव ये स्मरण रखा की काबिल _ए_ तारीफ
होने के लिए वाकिफ _ए_ तकलीफ होना पड़ता है
और अब हम सब गर्व से कहते हैं हमने लड़कियों के
खांडवप्रस्थ को इंद्रप्रस्थ में बदला है।

ये नूर ये खूबसूरती

ये नूर ये खूबसूरती
कुछ यूँ आवाज़ आई शीशे से
जिससे छाई जुगनू सी रोशनियाँ
ना अँधेरे का गम
ना रोशनी की खुशी
कहा मेरे मन ने भी था
खूबसूरती तो बस नकाब है
है नकाब ये अँधेरा सा
सहमा सा, डरा-डरा सा
पर ये नकाब ही तो था
नकाब उतारा तो एक
जादू सा है पाया
जो गम में रोया
जो खुशी को खोया
ना जाने क्यों अटकी सुई उसी पर
भटकी भी तो उसी पर
शीशे ने भी राज बताया
उसने भी साजो-साज़ करवाया
कहा उसने भी था
ये बाहरी का गम क्या
इस खूबसूरती में दम क्या

समुंदर सी गहरायी
मन की मन से ही लड़ाई
दोनों के बीच में खोयी
तंग इन सब से थक हार कर सोयी
गम से लड़ाइयां
समुंदर सी गहराइयां
क्या कभी खत्म होती है
फिर कहा उसने भी
आंसुओं को बहने दो
गम को थोड़ी देर और रहने दो
कल से नया सा आगाज होगा
नया सा साज़ होगा
फूल सी महकी थी वो उस गलियारे में
क्या महकेगी इस गलियारे में भी
फिर मन ने कहा थोड़ी तेरी कोशिश
थोड़ी उनकी कोशिश
होगा ये गम कम
होगा खुशी में भी दम
तू बस आगे बढ़ती जा
लहरों से लड़ती जा ॥

भारत : एक विश्व गुरु

इंडिया, हिंदी में भारत के नाम से प्रसिद्ध, एक समृद्ध सांस्कृतिक विरासत है। इसका आध्यात्मिकता और बौद्धिक कौशल से भरपूर होने के कारण दुनिया में अद्वितीय स्थान है। आज विश्व गुरु के रूप में भारत को जाना जाता है, जो ज्ञान और मूल्यों का स्रोत है।

भारत का इतिहास, साम्राज्यों का उत्थान, कला, साहित्य, और वैज्ञानिक प्रगति इसे विश्व पटल में बढ़ावा देने में योगदान देता है, जिससे समूचा विश्व प्रभावित होता है। भारतीय धरोहर में आध्यात्मिकता का भी महत्वपूर्ण स्थान है, जो विभिन्न धर्मों की उत्पत्ति का स्थान रहा है।

भारत का योगदान गणित, खगोल, विज्ञान, और साहित्य जैसे क्षेत्रों में भी महत्वपूर्ण है। वेदों में गणितीय अवधारणाएँ, आर्यभट्ट और ब्रह्मगुप्त जैसे वैज्ञानिकों के कार्यों ने आधुनिक गणित की नींव रखी। साहित्यिक विरासत में भी महर्षि वेदव्यास द्वारा रचित श्रीमद्भागवद् गीता, गोस्वामी तुलसीदास की रामचरितमानस और रवींद्रनाथ टैगोर जैसे कवियों की रचनाएँ जिसमें गीतांजली, प्रवाहिनी और आकाश प्रदीप महत्वपूर्ण स्थान रखती हैं।

भारत की सांस्कृतिक विविधता, एकता के सिद्धांत को प्रमाणित करती है और इसकी चुनौतियों का सामना करते हुए यह एक वैश्विक मार्गदर्शक शक्ति बना हुआ है। गरीबी, असमानता और पर्यावरणीय संबंधी मुद्दों के बावजूद, भारत ने वैश्विक स्तर पर अपने योगदान के लिए प्रशंसा प्राप्त की है।

भाग्य बनाम कर्म

जन्म की किलकारियों से लेकर संबंधियों के रोने तक
सुबह बिस्तर पर आँख खुलने से लेकर रात को सोने तक
किसी का स्नेहपूर्ण साथ मिलने से लेकर उसे खोने तक
जीवन का संपूर्ण ताना-बाना देख, अकसर मन में एक प्रश्न आता है- क्या हम ही हैं अपने
भाग्य निर्माता,
या कोई और है, जो हमसे यह सब करवाता है?
क्या हमारे अच्छे-बुरे कर्म ही हैं जीवन के निर्णायक,
या हाथों की लकीरों से भी हमारा कुछ नाता है?
क्या हम ही रचते हैं परिस्थितियाँ, या भाग्य हमें ये सब दिखाता है?
पहला पक्ष कहता है कि-
यदि कर्म ही सब तय करते तो
दिन-रात देश की सेवा में लगे जवान यूँ गोलियों से न मरते।
सद्कार्यों में लगे हजारों संत, कभी मृत्यु से न डरते और करोड़ों लोग यूँ प्रभु भक्ति न करते।
सीता मैया धरती में न समाती, दामिनी इस तरह न मारी जाती।
दूसरा पक्ष कहता है कि-
यदि भाग्य ही सब तय करता फिर हम क्यों करते हैं जीवन भर परिश्रम, क्यों निर्णय लेना हो
जाता है इतना कठिनतम।
क्यों ज्योतिष न होते बिरला अंबानी से धनवान, क्यों न हम बैठ जाते छोड़कर सब काम।
सबका अलग दृष्टिकोण, अपना-अपना मानना है, मेरे अनुसार तो हमें कर्म और भाग्य में
सामंजस्य बनाना है।
सद्कर्मों के द्वारा ही हमें अपना भाग्य उज्ज्वल बनाना है,
श्रीकृष्ण के गीता-उपदेश से जीवन का सार अपनाना है।
'कर्मण्येवाधिकारस्ते मा फलेषु कदाचन-
को मूल-मंत्र बनाकर, जीवन-पथ पर बढ़ते जाना है।

इंद्रप्रस्थ महिला महाविद्यालय 100 वर्ष अनुभव

इंद्रप्रस्थ महिला महाविद्यालय, जो अब पूरे सौ वर्ष पुराना हो गया है, एक संस्कृति और ज्ञान की भूमि का प्रतीक है। यहां के संस्कृत विभाग में अध्ययन करते हैं, मैंने महत्वपूर्ण संस्कृत श्लोक, काव्य और साहित्य का अनुभव किया है। महाविद्यालय की शिक्षा पद्धति, शिक्षक मंडल और परिवार की भावना, सभी एक सहयोगपूर्वक गुदगुदाती एकता का माहौल बनाते हैं।

इस समारोह में, हम सभी विद्यार्थी और अध्यापिकाएँ एक दूसरे के साथ सहज करते हैं, जो एक सच्चाई और संकल्प से भरा हुआ है। ये एक अनोखा अनुभव है जब हर वर्ष के इस महत्वपूर्ण दिन पर, हम अपने गुरुदेवों, वरिष्ठजनों और सहयोगी विद्यार्थियों के साथ एक होते हैं। महाविद्यालय का यह सफर एक ऐसा तीर्थ स्थल का अनुभव फैलाता है, जहां ज्ञान का पवित्र समर्पण होता है।

संस्कृत के माध्यम से, हम यहां केवल एक विषय का अध्ययन करते हैं, हमारी संस्कृति, विरासत और परंपरा को भी महत्व देते हैं। महाविद्यालय ने नारी शक्ति को समर्पण, स्वाभिमान और आत्मविश्वास में वृद्धि करने का संकल्प लिया है। इस सफ़र में, मैंने महसूस किया है कि यहाँ का अध्ययन परम्परा विचार-शिल्प और सृजनात्मक दृष्टि से भरा हुआ है।

मुझे गर्व है कि मैं इंद्रप्रस्थ महिला महाविद्यालय की छात्रा हूँ, और यह वर्ष पूरा होने पर एक और अनुपम अनुभव है, जो मेरे जीवन में हमेशा रहेगा।"

আত্মপৰিচয়

উৰাজাহাজখনে মেঘৰ আচ্ছাদন ফালি,
সেউজীয়া উপত্যকাৰ ওপৰেৰে উৰি উৰি,
মোক মোৰ আপোন চহৰখনৰ পৰা লৈ আহে ।

মোৰ দুচকুত সজীৱ হৈ ৰয়
খেৰৰ জুপুৰী, ধাননি পথাৰ,
চাহ-বাগিচা, আৰু নদ-নদীসমূহ ।
মোৰ মনৰ মাজত গুঞ্জনিত হয় :
“অ’ মোৰ ওপজা ঠাই
অ’ মোৰ অসমী আই
চাই লওঁ এবাৰ মুখনি তোমাৰ
হেঁপাহ মোৰ পলোৱা নাই”

মহাবাহু ব্ৰহ্মপুত্ৰৰ পাৰৰ চহৰ এৰি,
যমুনা নদীৰ পাৰৰ চহৰলৈ ওভতি আহি,
হৃদয়ত এক বুজাব নোৱাৰা শূন্যতা অনুভৱ হয় ।
মই এনেকুৱা এটি ঠাইত প্ৰৱেশ কৰোঁ,

যত মোৰ পৰিচয়ৰ ওপৰত বহুতো প্ৰশ্ন উঠে ।
এই ঠাইত নিজৰ এটি স্থান লোৱাৰ উদ্দেশ্যে
মই তেওঁলোকৰ ভাষা কওঁ,
কিন্তু কেতিয়াবা মই বিফলো হওঁ,
তেওঁলোকে মোক লৈ হাঁহে ।

কোঁটিল্যই মৎস্যান্যায়ৰ তত্ত্ব দিছিল,
য’ত ডাঙৰ মাছে সৰু মাছবোৰক খাই পেলায়,
য’ত শক্তিশালীসকলে দুৰ্বলক দমন কৰে।
তেওঁলোকে মোৰ ভাষাক আঞ্চলিক বুলি কয়,
কিন্তু কোনে অধিকাৰ দিয়ে আঞ্চলিক বুলি বিবেচনা কৰিবলৈ?

১৪০ কোটি লোক, ২৮ খন ৰাজ্য,
৮ খন কেন্দ্ৰীয় শাসিত অঞ্চল,
প্ৰায় ১২১ টা ভাষা আৰু প্ৰায় ২০,০০০ উপভাষা,
এইবোৰ কেৱল কিছুমান সংখ্যা নহয়,
কিন্তু ই এক পৰিচয়ৰ সংজ্ঞা;
সৰু সৰু বুটা ফুলবোৰ গোট খাই
ভাৰত নামৰ মহান ধৰণীৰ সৃষ্টি হয়।
সকলোৰে সুকীয়া মাতৃভাষাৰ এক বৈশিষ্ট্য,
সকলো লগ হৈ হে ভাৰতৰ উন্নতিৰ জয়যাত্ৰা সম্ভৱ।

মই ঘৰৰ পৰা ওলাই আহোঁতে,
মোক মোৰ শিপা আৰু মোৰ মাতৃভাষা, অসমীয়াক
পাহৰি নাযাবলৈ কোৱা হৈছিল;
মই কলোঁ যে মই কেতিয়াও উশাহ ল'বলৈ পাহৰিব নোৱাৰোঁ,
কাৰণ মোৰ ভাষা মোৰ অস্তিত্বৰ এটা অপৰিহাৰ্য অংশ,
মাতৃভাষাই মোৰ সঞ্জীৱনী — শব্দ ভাঙাৰ,
যাৰ শক্তিত মোৰ প্ৰাণৰ সঞ্চালন হয়।

पूर्व छात्राओं के संबंध में सूचनात्मक लेख

इन्द्रप्रस्थ महिला महाविद्यालय का इतिहास अत्यंत गौरवशाली रहा है। इस गौरव की आधारभूमि के रूप में महाविद्यालय की वे प्रतिष्ठित पूर्व छात्राएँ हैं जिन्होंने न केवल कॉलेज अपितु देश भर में प्रतिष्ठा प्राप्त की है। राजनीति, प्रशासन, सामाजिक कार्य, लेखन, संगीत, अभिनय जैसे विविध क्षेत्रों में इन्द्रप्रस्थ कॉलेज की 'नारी-शक्ति' निरंतर सक्रिय रही है। भारतीय स्वाधीनता आंदोलन में महती भूमिका निभाने वाली स्वतंत्रता सेनानी श्रीमती सुचेता कृपलानी जी इन्द्रप्रस्थ कॉलेज की छात्रा रही हैं। 'भारत छोड़ो आंदोलन' में उन्होंने आगे बढ़कर भागीदारी की और बाद में महात्मा गाँधी के साथ मिलकर राष्ट्रहित में भी काम किया। उन्हें देश की प्रथम महिला मुख्यमंत्री होने का भी गौरव प्राप्त है। एक मुख्यमंत्री के रूप में उन्होंने उत्तर प्रदेश में अपनी सेवाएं दी हैं। इस महाविद्यालय की छात्राओं ने न केवल राष्ट्रीय अपितु सामाजिक स्तर पर भी विविधमुखी योगदान दिया है। स्वाधीनता आंदोलन के दौरान लाहौर जेल की प्राचीर पर भारतीय ध्वज फहराने से लेकर स्वतंत्रता के पश्चात 'दहेज प्रथा' के विरोध में उठे आंदोलन तक में छात्राएँ सक्रिय रही हैं।

यह महाविद्यालय उस समय का साक्षी है जब महिलाओं की शिक्षा पर अधिक ध्यान नहीं दिया जाता था। कारण कुछ भी रहे हों पर औपचारिक शिक्षा से महिलाएं दूर ही थी। ऐसे में इस कॉलेज ने शिक्षा की अलख जगाने का महत्त्वपूर्ण कार्य किया। इस महाविद्यालय की अनेक छात्राओं ने अपनी बहुमुखी प्रतिभा का परिचय दिया है। भारत सरकार की ओर से साहित्य और शिक्षा के क्षेत्र में योगदान के लिए दूसरा सर्वोच्च नागरिक सम्मान 'पद्मभूषण' प्राप्त करने वाली सुप्रसिद्ध उर्दू लेखिका कुर्रतुल-एन-हैदर भी इन्द्रप्रस्थ परिवार की सदस्य हैं। 'पद्मश्री' और 'पद्मभूषण' से सम्मानित प्रतिष्ठित सरोद वादक शरण रानी बाकलीवाल जी भी इन्द्रप्रस्थ महाविद्यालय की छात्रा रही हैं।

देश और समाज के विविध क्षेत्रों में इस महाविद्यालय की छात्राएं 'कल से आज' तक महती भूमिका निभाती रही हैं। इस यात्रा में समाज सेविका अरुणा रॉय का नाम है तो भारत सरकार में पूर्व केंद्रीय मंत्री अंबिका सोनी जी का भी नाम है। इस सूची में आई.ए.एस. अधिकारी आदर्श मिश्रा और मीरा सेठ जी सम्मिलित हैं तो सुप्रसिद्ध पंजाबी गायिका जसपिंदर नरूला जी भी शामिल हैं।

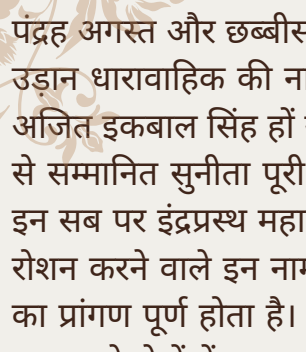

दूरदर्शन पर अपनी ठहरी और गंभीर मुद्रा में समाचार वाचन के लिए प्रसिद्ध सरला माहेश्वरी और सलमा सुल्तान भी इस महाविद्यालय की छात्राएं हैं। वर्तमान में आई.एफ.आर. जैसे प्रचलित धारावाहिक में अपने अभिनय से दर्शकों का मनोरंजन करती अभिनेत्री कविता चौधरी, दीपिका सिंह, सोशल मीडिया सेंसेशन के रूप में प्रचलित अभिनेत्री कुशा कपिला भी इन्द्रप्रस्थ महाविद्यालय की छात्राएं हैं। सुप्रसिद्ध हिंदी लेखिका शशि प्रभा शास्त्री तथा मीरा कांत जी ने भी इसी महाविद्यालय से शिक्षा प्राप्त की है। वर्तमान समय में भी इस महाविद्यालय की छात्राएं लगातार शासन, प्रशासन, लेखन, अभिनय, संगीत की दुनिया में अपनी जगह बना रही हैं। एंबेसडर चित्रा नारायण आई.एफ. एस. रहीं और आजकल जेनेवा सेंटर फॉर सिव्जोरिटी पॉलिसी में असोसिएट फैलो हैं। अंकिता मिश्रा बुंदेला, मोनिका राना, निष्ठा वसिष्ठ जैसी छात्राएँ एक ओर आई.ए.एस., आई.एफ.एस., आई.पी.एस. के रूप में अपनी सेवाएँ दे रही हैं तो दूसरी ओर अनेक छात्राएँ देश और विदेश में शिक्षा के क्षेत्र में भी विविध भूमिकाओं में सक्रिय हैं। 'कल से आज' की यह सुनहरी यात्रा 'आज से कल' की ओर अग्रसर है और बेहतर दृष्टि के साथ राष्ट्र निर्माण में अपनी भूमिका निभाने के लिए वचनबद्ध हैं।

लोकसभा अध्यक्ष रहीं मीरा कुमार भी हमारी पूर्वछात्रा हैं। विजयलक्ष्मी छाबड़ा आकाशवाणी में निदेशक रहीं।

सविता सिंह प्रसिद्ध रचनाकार हैं। दिल्ली विश्वविद्यालय की पहली डी. लिट. और हिंदी विभाग की अध्यक्ष, निर्मला जैन इसी महाविद्यालय के हिंदी विभाग की आरंभिक छात्रों में से एक हैं। दीपा साही ने तमस धारावाहिक में प्रमुख भूमिका का निर्वाह किया। आजाद हिन्द फौज की कैप्टन लक्ष्मी सहगल को कौन नहीं जानता होगा, वे भी हमारे महाविद्यालय की पूर्व छात्र रही हैं। चारु श्री रॉय से लेकर वेनिका (मास मीडिया और मास कम्युनिकेशन) जैसे महत्त्वपूर्ण छात्रों पर इस महाविद्यालय को गर्व है। अरुणा ब्रूटा जी की मनोवैज्ञानिक सलाहें एफ. एम. पर लंबे समय तक प्रसारित होती रहीं।

महाविद्यालय की पत्रिका 'प्रदीप' में एक कॉलम कई वर्षों तक छपता रहा जिसमें 'विश्वविद्यालय में प्रथम हमारी छात्राओं की सूचना दी जाती थी। विश्वविद्यालय में प्रथम आने वाली अनेक छात्राएं आज इसी महाविद्यालय में और अन्य महाविद्यालयों में प्रोफेसर के पद पर कार्यरत हैं। अनेक छात्राओं ने विविध महाविद्यालयों में प्राचार्या के पद पर भी कार्य किया है जिनमें श्रीमती ठाकुरदास(गार्गी कॉलेज), श्रीमती सरस्वती राव (जानकी देवी कॉलेज)श्रीमती कौसुकुटी (लक्ष्मीबाई कॉलेज) श्रीमती सीता नाम्बियार(दौलतराम कॉलेज)श्रीमती शीला उत्तम सिंह(इन्द्रप्रस्थ कॉलेज) आदि प्रमुख नाम हैं।

पंद्रह अगस्त और छब्बीस जनवरी को अंग्रेजी में प्रस्तुति देती कोमल जी. बी. सिंह हों या उड़ान धारावाहिक की नायिका कविता चौधरी, गणित के क्षेत्र में नाम ऊँचा करने वाली अजित इकबाल सिंह हों या वाणिज्य व्यापार की दुनिया की नीना मल्होत्रा, अर्जुन अवार्ड से सम्मानित सुनीता पूरी हों या बेलोंसिया में भारत की राजदूत रह चुकी मधु भादुरी - इन सब पर इंद्रप्रस्थ महाविद्यालय को गर्व है। विविध क्षेत्रों में इस महाविद्यालय का नाम रोशन करने वाले इन नामों और इन जैसे हजारों छात्रों से मिलकर ही इस महाविद्यालय का प्रांगण पूर्ण होता है। इस यात्रा में आने वाले छात्र भी अपनी सहभागिता दर्ज कराते हुए अपने क्षेत्रों में सफलता और सार्थकता का परचम लहराएंगे, ऐसी हमें पूरी उम्मीद है।

(अंतिम दो अनुच्छेदों के लिए नाम चयन करने हेतु डॉ चंद्रकांता किनरा के लेख 'तराशे हुए आकार' (The Saga of Indraprastha College for Women) से सहायता ली गई है। इस लेख के लिए सामग्री एकत्र करने में हिंदी विभाग से डॉ. भावना मल्होत्रा, डॉ. अवन्तिका और डॉ. लक्ष्मी नारायण ने सहायता की है)

यह एक सूचनात्मक लेख है। कभी अगले वर्ष अवसर मिला तो मन के भीतर की सतह के भीतर की उस लड़की की आवाज को जगह देने की कोशिश करूंगी जिसने वर्ष 1995 में जब यहाँ पहला कदम रखा था तो अपनी माँ की इस इच्छा के साथ कि- 'मेरी बेटी इंद्रप्रस्थ महाविद्यालय में पढे और यहीं प्रोफेसर बनें'। उनकी इस इच्छा के बारे में आज सोचती हूँ तो लगता है कि माँ ने क्या मेरा भविष्य पढ़ लिया था। उनके इस सपने को आकार दिया, इस महाविद्यालय ने, और आज यही महाविद्यालय हम जैसी कितनी ही लड़कियों के सपने को तराश रहा है। 1999 में विश्वविद्यालय में प्रथम स्थान पाने पर तत्कालीन प्रधानमंत्री श्री अटल बिहारी वाजपेयी जी से पुरस्कार मिलना हो या 2009 में विश्वविद्यालय में 'सर्वश्रेष्ठ शिक्षक' के सम्मान को श्री एपीजे अब्दुल कलाम जी के हाथ से प्राप्त करना रहा हो, ये सारे अवसर मुझे तभी मिल सके, जब इस महाविद्यालय ने मुझ अनगढ़ को गढ़ने के लिए अपने भीतर जगह दी। आज इस 100 साल की महाविद्यालय की यात्रा में और 29 साल की अपनी इस यात्रा में नीलिमा सिंह मैम, सुशील झा मैम, कुसुम श्रीवास्तव मैम, अरुणा सीतेश मैम, वीणा महाजन मैम, प्रीति जौहरी मैम को भी उतनी ही शिद्दत से याद कर रही हूँ, जितनी शिद्दत से अपने से पूर्व पढ़ी छात्राओं को या फिर अपनी छात्राओं को। मेरे इस कॉलेज ने हम सब को रचा है। मेरे इस अल्मा मेटर की कहानी कभी विस्तार से जरूर कहना चाहूँगी।

My Memoirs

As a 17-year-old girl, I entered Indraprastha College for Women in 1973, which became my home for 35 years...As an alumna of Indraprastha College for Women, I find myself immersed in a tapestry of memories that shape the foundation of who I am today. Reflecting on my time at this esteemed institution, I am filled with a profound sense of gratitude and nostalgia.

It was a place of learning and education from 1973 to 1978, when I was pursuing BA (H) and MA in Philosophy. This institution was not merely a place of education; it was a place of growth, a space where ideals were forged and friendships were made. The classrooms echoed the exchange of knowledge and the corridors reverberated with laughter. The dedicated faculty members- Dr. Neelima Chakravarty, Miss Durga Pant, Dr. Krishna Das Gupta and Mrs. Manju Saxena illuminated our paths with wisdom, inspiring us to reach beyond our perceived limits.

What set my college apart was not just the academic excellence but also its holistic approach to education. The campus life was made vibrant with diverse extracurricular activities, and the rich cultural environment that encouraged exploration and self-discovery. From the spirited debates in the lecture halls to the collaborative projects that pushed our creative boundaries, every experience was a stepping stone towards personal and intellectual growth. As the Secretary of the Students Union, 1974 to 1975;

and the President of Students Union, 1977 to 1978; my memories are filled with acquaintances of arranging Inter College Competitions, and it was at that time, that I got inspired by the Inter-University Festivals like, BITS Pilani, in which I took part in dramas (four times) and won prizes. I made our then Principal, Dr. Uttam Singh, agree to host a national level festival which we named, Surabhi. Under the expert guidance of Dr Jamuna Krishnan, Dr T.S Rukmani, Dr. Sneha Mahajan, Dr. Indu Jain and of course, our beloved Mrs. Barthelomeo, our theater mascot who shaped my acting skills, we produced Badal Sircar's "Tasher Desh", a play which she directed in 1974. The play had male actors from Hansraj College which included, Mr. Vinod Dua (singer), Mr. Pawan Malhotra (who is now a very eminent and wonderful Bollywood actor), Mr Rajiv Krishnam, Mr.Sanjeev Wadhawan and Mr. Joy Javed Maria from Hindu College. That memory is still so alive and was the best time in college. Participating in Inter College Hindi debates with Vijaya Laxmi Kanungo, Dr. Vidya Sinha, Archan Sharma and Saurabh Didwania, won many laurels to the college. The Play Competitions and the Annual Public Productions with Kavita Choudhry (starred in the Hindi serial, UDAAN), the late Jasmine Suri and many others- are some of my precious moments in the college.

I feel nostalgic when I remember doing all the possible activities in the college, theater and NCC. I was the first member of the college Judo team to perform in front of Smt. Indira Gandhi then Prime Minister of India. What a moment it was! I received All Round Student Award, twice, in my whole student tenure- once, by Ms Vijaylakshmi Pandit, when I was doing my BA and the second was given by Mr B V Karanth (the Director of NSD), when I was doing my MA.

The bonds formed during that time were indelible. The friendships which were forged in the crucible of shared challenges and triumphs, have withstood the tests of time. As an alumna, I carry with me, not just a degree but also a network of support and camaraderie that extends far beyond the boundaries of campus. Gratitude wells within me for the unwavering support of the faculties and the institution's commitment towards nurturing not just scholars, but also well-rounded individuals, and what I am today.

The journey did not stop after my post-graduation as I joined the college as a faculty in 1987. That was the beginning of another phase and it was not easy in the beginning, to share the staff room table with my teachers who taught me and the others with whom in the past I had worked closely as a student. They all are part of my life with beautiful memories with late Ms. Anjali Banerjee, Dr. Usha Jain and late Dr. Jamuna Krishnan and our then sports teacher, Dr. Preeti Bedi, who was not just my teacher also my partner in many students' trips which we went and also otherwise. She still continues to be my friend who always encourages me in what I do. Thanks to all of them. As a faculty, I worked very hard for my institution, so that IP College can always shine.

Under the leadership of our beloved Principal Dr. Aruna Sitiesh, we started the prestigious course of Mass Media and Mass Communication. I was one of the founding members of the course and the coordinator of BMMMC for 18 years. The present studio, I remember setting it up and continued it with Sony Tokyo till I was invited by the University to set a similar course in the University- 'Delhi School of Journalism', which I set from scratch, was the first OSD appointed in 2017- I nurtured that till 2022.

In the tapestry of life, my Alma Mater, Indraprastha College for Women, holds a special place. The memories of the thrill of victories in the sports field and the shared sense of purpose during the Community Outreach Programs, IP college stage performances, organizing college programs- Diamond Jubilee, Platinum Jubilee(when Late Hon. Prime Minister Shri Atal Behari Vajpayee was the Chief Guest, I was the Convener of the organizing committee), the stone laying ceremony of the new IP hostel across the road ,setting up the hostel with Mrs. Bedi and then becoming the first warden of the hostel- all these memories are etched in my heart. Today, as I navigate the professional landscape, I carry the spirit of IP with me. My students who were and are my lifelines to which I always told that they as the IP College brand ambassadors were and are making all of us proud. I am proud and indebted to my institution for making me what I am today.

On this day on the centenary of the College, Congratulations to all who were and are serving the institution with dedication and sincerity. May our institution always be on the top!

अपना अल्मामेटर : यादों के झरोखे से

कोई पचपन बरस पहले तेल चुपड़े बालों की दो लम्बी चोटियां बनाए, सलवार कमीज़ पहने साधारण सी एक लड़की दिल्ली में एक ब्रिटिश कालीन इमारत के विशाल प्रांगण में अचंभित खड़ी सोच रही थी...

तो यह है आई. पी. कॉलेज जहां एडमिशन लेने की चर्चा उसकी सहपाठिनियां अक्सर करतीं। सिर पर लटकी बोर्ड की परीक्षा की तलवार के डर से 'लड़कियों के लिए बैस्ट' कहे जाने वाले कॉलेज के बारे में तब सोचने की फुर्सत कहां थी!

प्रॉस्पेक्टस लिया तब कॉलेज के इतिहास से जाना,

‘बीसवीं सदी के आरंभ में स्वाधीनता के लिए संघर्षरत भारत के केंद्र दिल्ली में कुछ प्रमुख समाजसेवियों ने इंद्रप्रस्थ एजुकेशन सोसायटी की स्थापना करके एक महत्वपूर्ण कदम उठाया भले ही आइरिश शिक्षा विद् श्रीमती एनी बेसेंट उनकी प्रेरणा थीं लेकिन पर्दा प्रथा और बाल-विवाह जैसी कुरीतियों से जूझते हुए जामा मस्जिद के छीपीवाड़ा में 1904 ई. में इंद्रप्रस्थ पुत्री पाठशाला की नींव रखना क्रांतिकारी कदम था। बीस वर्ष की जद्दोजहद के बाद इस इस योजना का विस्तार इंद्रप्रस्थ महाविद्यालय के रूप में सामने आया।

शुरुआत सिर्फ दो छात्राओं से हुई थी, धीरे-धीरे संख्या बढ़ने लगी तो पुरानी दिल्ली की गलियों से निकाल कर इसे सिविल लाइंस स्थित ‘चंद्रावली भवन’ में स्थानांतरित किया गया। 1938 में काफ़ी संघर्ष करने के बाद जब इस संस्थान को ‘अलीपुर हाउस’ (वर्तमान इमारत) मिली तब मिलिट्री के बैरक्रनुमा कमरों से बने इस ढांचे के आगे पीछे धूल मिट्टी झाड़ झंखाड़ फैला हुआ था। प्रसिद्ध समाजसेविका श्रीमती सरला शर्मा –जो उस समय कॉलेज की छात्रा थीं– के अनुसार हर रोज़ सुबह कक्षाएं आरंभ होने से पहले छात्राओं और प्राध्यापिकाओं ने मिलकर कंकड़-पत्थर, कूड़ा उठाकर कॉलेज का एक हिस्सा साफ़ करने का बीड़ा उठा लिया। उस मेहनती पीढ़ी की पर्यावरण के प्रति प्रतिबद्धता ने जो बीज बोए उसका परिणाम है

आज कॉलेज गेट के ठीक सामने समृद्ध गुलाबवाटिका, उसके दोनों ओर हरी मखमली घास के बड़े बड़े लॉन, मुख्य इमारत के सामने सिर उठाकर खड़े आंवले और जामुन के विशालकाय वृक्ष। कॉलेज परिसर के पिछले हिस्से में आम के पेड़ों से बसन्त ऋतु में रह रह कर गूंजती कोयल की कूक और बरसात में क्लासरूम के सामने हरे भरे लॉन में यदा कदा पंख फैलाए चहल-कदमी करते मोर वातावरण को कितना मोहक बनाते हैं यह अनुमान लगाना मुश्किल नहीं!

ब्रिटिश सत्ता के विरोध में इंद्रप्रस्थ की छात्राओं की सक्रियता के किस्से ओरिएंटेशन कार्यक्रम के दौरान कान में पड़े तो गर्व की अनुभूति हुई। 'वुमेन्स एजुकेशन एंड पोलिटिक्स:द वुमेन्स मूवमेंट एंड देहलीज़ इंद्रप्रस्थ कॉलेज' की लेखिका डॉ कल्याणी दत्ता और डॉ मीना भार्गव -(इंद्रप्रस्थ की पूर्व प्राध्यापिकाओं) के अनुसार आई पी की छात्राओं ने धरना प्रदर्शन, विदेशी कपड़ों की होली जलाना, भारत छोड़ो आंदोलन आदि में बढ़-चढ़कर भाग लिया, प्रशासन द्वारा रोकने पर कॉलेज की दीवार फांद कर बाहर निकलीं, जुलूस में भाग लेने के लिए उन्होंने जुर्माना (200रु) भरना स्वीकार किया। जुर्माना न देने वाली छात्रा रूप सेठ को लाहौर जेल भेज दिया गया। उस साहसी छात्रा ने लाहौर जेल की दीवार पर चढ़कर निडरता से तिरंगा फहराया, देश के स्वतंत्रता संघर्ष में इंद्रप्रस्थ की सहभागिता को दर्ज करवाया।

स्वतंत्र भारत में उत्तर प्रदेश की भूतपूर्व मुख्यमंत्री श्रीमती सुचेता कृपलानी के मन में राजनैतिक महत्वाकांक्षा के बीज आई. पी के आंगन में ही अंकुरित हुए थे। कॉलेज के वार्षिकोत्सव पर एक बार पूर्व लोक सभा स्पीकर मीरा कुमार तथा एक अन्य अवसर पर आमंत्रित कांग्रेस महासचिव अंबिका सोनी इंद्रप्रस्थ में बीते अपने विद्यार्थी जीवन को याद करते हुए भावुक हो गयीं। पाकिस्तान के पूर्व राष्ट्रपति परवेज मुशर्रफ कुछ वर्ष पूर्व जब दिल्ली आए तो उनकी उम्रदराज माता जी-कालेज की पूर्व छात्रा -इंद्रप्रस्थ आने का मोह नहीं छोड़ पायीं।

कॉलेज मैगज़ीन(प्रदीप)में हर वर्ष एक पृष्ठ होता ही था- our gallery of first class firsts- यानि बी. ए., एम. ए. में सर्वोच्च स्थान पाने वाली छात्राओं के चित्रों से भरा पन्ना। इस पृष्ठ की सतत प्रेरणा और कर्मठ प्राध्यापिकाओं के मार्गदर्शन से 1973 में एम.ए.की परीक्षा में मुझे दिल्ली विश्वविद्यालय में हिन्दी में सर्वाधिक अंक मिले और इंद्रप्रस्थ के हिंदी विभाग में लेक्चरर रूप में नियुक्ति भी।अंधा क्या चाहे- दो आंखें!

पढ़ाई यहां सिर्फ क्लास रूम लैक्चर और किताबी ज्ञान तक सीमित कभी नहीं रही, क्लास के बाहर बरामदे की सीढ़ियों पर या पेड़ के नीचे लगी पत्थर की बेंच पर बैठ किसी अकादमिक विषय या वाद विवाद के विषय पर विद्यार्थियों के साथ चर्चा करने का समय प्राध्यापिकाएं निकाल ही लेती थीं अन्यथा प्रथम वर्ष में ही अंतः महाविद्यालय वाद विवाद प्रतियोगिता में ट्रॉफी जीत पाना क्या मेरे लिए संभव होता ?

साहित्य, कला, संगीत आदि क्षेत्रों के दिग्गजों को कॉलेज में आमंत्रित करके विद्यार्थियों को उनसे संवाद का अवसर देकर कॉलेज ने अप्रत्यक्ष रूप से बहुत कुछ सिखाया। यहीं राष्ट्रकवि रामधारी सिंह दिनकर, भवानी प्रसाद मिश्र, गिरिजा कुमार माथुर के मुख से कविताएं सुनकर हम उनकी रचनाओं के मर्म तक पहुंचे। हबीब तनवीर जैसे प्रख्यात रंगकर्मी ने 'आगरा बाज़ार' और 'मिट्टी की गाड़ी' जैसे नाटकों को इंद्रप्रस्थ के मंच पर प्रस्तुत करके अभिनय और नाट्य निर्देशन के अनेक गुर सिखाए। कभी कॉलेज के मंच पर कथक साम्राज्ञी सितारा देवी की नृत्य मुद्राओं, कभी लोकगीतों की ख्याति प्राप्त गायिका मालिनी अवस्थी की धमाकेदार प्रस्तुति से भारतीय संगीत परम्परा को हमारी पीढ़ी ने गहराई से समझा।

मनोरंजन और मीडिया की दुनिया में टेलीविजन के उदय से (1959) से बहुत कुछ बदला। प्रिय प्राध्यापिका, कवयित्री और टेलीविजन जगत में जानी मानी श्रीमती इंदु जैन की प्रेरणा से टी वी के साहित्यिक कार्यक्रमों 'पत्रिका' और 'साहित्य कला समाचार' (1975-90) प्रस्तुत करने का अवसर मुझे भी मिला। मजे की बात यह है कि टेलीविजन पर हिंदी की पहली लोकप्रिय समाचार वाचक प्रतिमा पुरी भी आई.पी.की पूर्व छात्रा थीं। कॉलेज के वार्षिकोत्सव पर भूतपूर्व विद्यार्थी के रूप में जब उन्हें आमंत्रित किया तो मृदु मुस्कान बिखेरते हुए उन्होंने पूछा था,

तुम्हें किसने बताया कि मैं यहां पढ़ती थी?’

क्योंकि उनका मूल नाम (विद्यार्थी जीवन में) विद्या रावत था। बालों में गुलाब सजाए एक खास अंदाज़ में हिंदी समाचार पढ़ने वाली सलोनी सलमा सुल्तान से मेरी दोस्ती इसी बात से आगे बढ़ी कि उन्होंने भी इंद्रप्रस्थ से अंग्रेजी में एम.ए. किया था।

आठवें दशक की मृदु भाषिणी हिंदी समाचार प्रस्तोता सरला माहेश्वरी (ज़रीवाला) बी. ए. और एम.ए. में मेरी सहपाठी और अभिन्न मित्र रही हैं। अंतः कक्षा नाट्य प्रतियोगिताओं में हर बार उसने मेरे पति अथवा प्रेमी की भूमिका निभाई। संयोग से हम दोनों के पति डॉक्टर हैं और दोनों मौलाना आज़ाद मेडिकल कॉलेज के पूर्व छात्र हैं, विवाह के बाद पहली बार जब मौलाना आज़ाद मेडिकल कॉलेज के पूर्व छात्र सम्मेलन में हम मिले तो उसका पहला वाक्य था,

बहुत उत्सुकता है तेरे पति से मिलने की, देखूं तो सही मेरी जगह किसने ली है !

परिस्थिति विपरीत हो तो हतोत्साहित होकर हथियार डालने की बजाय नयी राह खोजने के लिए इंद्रप्रस्थ ने हमेशा प्रोत्साहित किया। साठ के दशक में आई. पी. में स्विमिंग पूल बनने का किस्सा इसका गवाह है।

‘बजट नहीं है’ कहकर जब प्रशासन ने स्विमिंग पूल की मांग को ठुकरा दिया तो आईपिआइट्स ने श्रमदान करके खुदाई के काम की ज़िम्मेदारी संभाल ली थी। तरणताल की सुविधा होने से आई पी ने महिला तैराकी के खूब नये कीर्तिमान बनाए।

तीस चालीस साल पहले जर्जर होते हुए कॉलेज के ऑडिटोरियम के पुनरुद्धार की मांग पर भी प्रशासन ने फंड की कमी कहकर हाथ खड़े कर दिए तो इंद्रप्रस्थ की शिक्षिकाओं ने मोर्चा संभाल लिया। अनथक प्रयास और छात्राओं के सहयोग से कथक सम्राट बिरजू महाराज, सुप्रसिद्ध वॉयलिन वादक एल. सुब्रमण्यम और शास्त्रीय संगीत की प्रसिद्ध गायिका एम.एस.सुब्बलक्ष्मी आदि चोटी के संगीतकारों के कॉन्सर्ट कॉलेज ने आयोजित किए। इनमें से दो कांसर्ट के मंच संचालन की ज़िम्मेदारी मुझे दी गयी थी।

आधी सदी पहले की दुनिया में कम्प्यूटर, इंटरनेट और मोबाइल की दखलंदाजी नहीं थी, परीक्षाएं वार्षिक हुआ करती थीं, शायद इसलिए कॉलेज में उत्सवों का आयोजन लम्बी तैयारी के साथ होता था। जैसे हर वर्ष भारत के किसी प्रांत बंगाल/पंजाब/गुजरात की संस्कृति का उत्सव। 1970 में ‘गुजरात डे’ के आयोजन को सफल बनाने के लिए थर्ड ईयर हिंदी ऑनर्स की छात्राएं जी जान से जुट गयीं थीं। ऑडिटोरियम में गरबा नृत्य, कॉरिडोर में गुजरात के हस्तशिल्प और ढोकला, थेपला, फाफड़ा आदि व्यंजनों के स्टॉल। उस दिन पूरा कॉलेज गुजरात मय हो उठा था!

आई.पी.में जीवन का ‘प्राइम टाइम’ गुज़ारने वाली हर छात्रा की स्मृति के खज़ाने में शिक्षिकाओं द्वारा आयोजित ‘विदाई की शाम’ अविस्मरणीय रही है। सिर्फ और सिर्फ प्राध्यापिकाओं द्वारा तृतीय वर्ष और एम.ए.की छात्राओं के लिए आयोजित ‘फेयरवेल’ में आने के लिए हर छात्रा लालायित रहती। गंभीरता का आवरण ओढ़े रहने वाली प्राध्यापिकाएं उस दिन मनोरंजक फैन्सी ड्रेस में या अपने लिखे नाटकों में अभिनय के द्वारा अथवा लोक नृत्य करके, छात्राओं की हरकतों पर स्वरचित कव्वाली गाकर अपनी शिष्याओं को मंत्रमुग्ध कर देतीं।

पीछे मुड़कर देखती हूं तो पांच वर्ष विद्यार्थी रूप में और 44 वर्ष अध्यापन यानि लगभग आधी सदी का सफर इंद्रप्रस्थ और मैंने साथ तय किया है, 17 वर्ष (प्रथम वर्ष में) की जिज्ञासु किशोरी को सीनियर असोसिएट प्रोफेसर के पद तक(65) पहुंचाने का श्रेय आई पी के उर्वर परिवेश को है।

आधी आबादी की शिक्षा के लिए पहल करने वाली इस संस्था के पास 100 वर्ष लम्बी परम्परा की पुख्ता ज़मीन के साथ 21वीं सदी के नवाचारों को आत्मसात करने की खूबी है। कम्प्यूटाइज्ड लायब्रेरी, तकनीकी सुविधाओं से लैस ऑडिटोरियम दिव्यांग छात्राओं के लिए रैम्प, एसी की सुविधा सम्पन्न कार्यालय, स्टाफ रूम, प्रकृति की छांव में रूफटॉप वाला कैफेटेरिया जैसी अधुनातन सुविधाओं ने इस शैक्षणिक संस्थान के उच्च स्तर को उच्चतर बनाया है। ग्लोबल गांव में परिवर्तित होती दुनिया में शतक की ढैया छूने वाला अपना अल्मामेटर-इंद्रप्रस्थ कॉलेज-भविष्य में वैश्विक कीर्तिमान स्थापित करे यह आई. पी. सुताओं की शुभेच्छा है।

कल, आज और कल: इंद्रप्रस्थ में तीन पीढ़ियों की किस्सागोई

गहरी पथरीली आंखों ने दरवाजा खोलते हुए अपनी मुस्कान से भीतर चलने का इशारा किया। कद-काठी में छोटी, चेहरे का संतोष भाव उन्हें जीवन के इस पड़ाव में स्थिर रखे हुए है। इन महिला का नाम इभाधर चौधरी है जो अपने परिवार के साथ दिल्ली के चितंजन पार्क की इस कोठी में निवास करती हैं। 1938 में जन्मी इभा जी ने अपनी जीवन यात्रा का वर्णन करना शुरू किया जिसमें इंद्रप्रस्थ महाविद्यालय का महत्वपूर्ण स्थान है। उनके समय में पढ़ने के इतने मौके उपलब्ध नहीं थे। पांच बहनों के बीच पली बड़ी इभाजी अपने को खुशकिस्मत मानती है। कॉलेज से निकलने के बाद बहुत बार इभाजी की इच्छा हुई एक बार फिर से उन स्मृतियों को जी सकें पर कॉलेज प्रशासन ने कभी इसकी इजाजत नहीं दी। उन्होंने शिकायत करते हुए कहा कि उनका भी एक कार्ड होना चाहिए जिससे कि वह कॉलेज को देख सकें। उनकी पोती पीहू जिसने 2023 में अंग्रेजी विशेष में अपनी डिग्री अर्जित की अक्सर उन्हें वीडियो कॉल के माध्यम से कॉलेज दिखाया करती थी। उनके समय में कॉलेज की प्रिंसिपल मीनादास गुप्ता थी जो अपने अनुशासन के लिए जानी जाती थी। कॉलेज के दौरान किसी को कॉलेज के बाहर जाने की इजाजत नहीं थी। लोग हमारे कॉलेज को पुत्री पाठशाला कहा करते थे। उम्र होने के कारण कॉलेज की स्मृतियां धूमिल हो गयी है, उस समय महिला शिक्षा पर विशेष बल नहीं दिया जाता था। कॉलेज स्तर पर पढ़ने वाली महिलाओं की संख्या उस समय बहुत कम थी। स्कूल और कॉलेज हम लोग रोड़ पर पड़े ईंटों को गिनकर जाते थे। अपनी पोती को यह बताते हुए बहुत हर्ष होता है साथ ही यह खुशी भी कि मेरी पोती के समय में यात्रा बहुत सरल रही। अपनी बहु और पोती के समय के अंतर को देखते हुए इवाजी कहती हैं “हमारे बाद की पीढ़ी आत्मविश्वास से सराबोर है, उसके पास बहुत अधिक मौके और आजादी है। पढ़ाई के बाद मैं घर परिवार में रम चुकी थी। मैं सौभाग्यशाली हूं कि मुझे बेहतरीन परिवार मिला।

जीवन के इस पड़ाव में स्वयं को सौभाग्यशाली पाती हूं। कुछ दिन पहले ही मेरे पति इस दुनिया को छोड़ गये। मेरा परिवार मेरी सभी आवश्यकताओं की पूर्ति करता है और समय मिलने पर मैं ओम शांति का पाठ करती हूं। कॉलेज में प्रथम आने के कारण वहां से निकलते ही मेरी नौकरी डायरेक्टर और एजूकेशन में हो गयी। मैं हमेशा ही आर्थिक निर्भरता से मुक्त रही। जीवन भर मैंने काम किया और अपने बच्चों की अच्छी शिक्षा देने का प्रयास किया। संगीत को कभी मैंने जीवन भर मरने नहीं दिया। किसी न किसी रूप में संगीत को जीवित रखा। इनके समय में तकनीकी सुविधाएं न के बराबर थी। मोबाइल, ईमेल आदि जो आज के जीवन का हिस्सा बन गए उससे यह दूर रहकर भी जीवन में जुड़ाव को महत्वपूर्ण मानती हैं। इवाजी बताती हैं “हमारे आसपास के ज्यादातर कॉलेजों में लड़के पढ़ते थे। महिला महाविद्यालय में हमारा कॉलेज सबसे पुराना है। आए दिन हमारे आसपास के कॉलेजों से खबरें मिलती थी कि वहां कुछ गड़बड़ हो गयी। हमारे यहां पढ़ाई-लिखाई ही महत्वपूर्ण थी। कॉलेज के दौरान मिले अवकाश में मैं बहुत सी किताब कॉलेज से लेकर आती थी और छुट्टियों में उन्हें खूब पढ़ती थी। खासतौर से बंगाली साहित्य मैं उस दौरान पढ़ा करती थी। रवीन्द्र, शरदचन्द्र, सुकांतो आदि मेरे प्रिय रचनाकारों में से हैं। शरदचन्द्र का चरित्रहीन उपन्यास मुझे याद आता है। इस उम्र में भारतीय साहित्य जीने का एक सलीका देती है। अपनी पोती से भले ही आज मैं अपनी तुलना न कर पाऊं परन्तु मेरे पिता ने जीवन के निर्णय लेने का मुझे अधिकार दिया। मुझे याद आता है हमसे पहले आजादी के संघर्ष में आईपी कॉलेज की लड़कियों ने खूब काम किया था। हमारे समय में हम राजनीतिक गतिविधियों से दूर रहें लेकिन विचार हमें वहां से लगातार मिलता रहा जिसने जीवन जीना सिखाया। मैंने अपने समय में कभी लड़कियों को बाहर या भीतर नारे लगाते नहीं पाया। कॉलेज प्राधानाचार्या के द्वारा दिये निर्देशों का हम पालन करते थे। मैंने एसीसी के कई कैम्प अटेम्प किये थे। उस समय शायद आज के एनएसएस को ही एसीसी कहा

जाता होगा। हम आसपास के गांवों में जाकर सामाजिक कार्य करते थे, सेवा करते थे। दान-ध्यान करना, खुश रहना, अपनी सेहत का कैसे ध्यान रखना है इन सभी का अभ्यास हुआ करता था। मैं अपनी खुशनसीबी मानती हूँ कि मैं इस कॉलेज का हिस्सा रही। कॉलेज की बीनादास गुप्ता अवसर स्मरण हो आती है। विद्यार्थी जीवन में अपने अध्यापकों को सभी कुछ न कुछ नाम देते हैं। इवाजी बताती हैं “अंग्रेजी पढ़ाने वाली प्रोफेसर को हम डेडी-डेडी कहा करते थे। उनका असली नाम तो याद ही नहीं आता है। उनके चेहरे पर अधिक बाल होने के कारण हमने उन्हें डेडी नाम दिया था। उन्हें देखते ही हम कहा करते थे ‘डेडी आ रही है क्लासरूम में।’ मैं तो कॉलेज छोड़ने के बाद वहां कभी नहीं गयी लेकिन मेरी पोती वीडियो कॉल के माध्यम से अवसर मुझे कॉलेज दिखाती थी। पहले क्लासरूम उतने सुन्दर नहीं थे, सामान्य स्तर के थे। मेरी पोती ने दिखाया था कि अब उनके क्लास में सिंगल डेक्स हैं। उनके यहां लेफ्ट हैंड और राइट हैंड के लिए भी अलग-अलग डेक्स बने हुए हैं।” इवाजी का पसंदीदा विषय संगीत रहा था लेकिन उस समय कॉलेज में संगीत की पढ़ाई नहीं होने के कारण इन्होंने संस्कृत विशेष में लिया था। इवाजी बताती हैं “आज भी संगीत को मैं नहीं छोड़ सकी हूँ। कीर्तन और भजन के माध्यम से उसे जीवित रखती हूँ। हाल फिलहाल की अपनी रूचियों का वर्णन करूँ तो मुझे ओम शांति बहुत पसंद आता है। आध्यात्म की ओर उन्मुख हुई हूँ।” तभी गीतालीजी चाय की ट्रे लेकर भीतर आती हैं। गीतालीजी मुख्य विषय संगीत था जिसकी ज्यादातर क्लासिस नॉर्थ कैंपस में हुआ करती थी। वह बताती हैं “हमारी सब्सी क्लासिस जैसे हिंदी, इंग्लिश और संस्कृत आदि कॉलेज में हुआ करती थी। सब्सी क्लासिस लेकर मैं यूनिवर्सिटी चली जाती थी। मेन सब्जेक्ट की क्लासिस नॉर्थ क्लासिस में होती थी। आईपी कॉलेज की सबसे विशेष बात है कि यह नॉर्थ कैंपस का होता हुए भी सबसे अलग रहा। यह राजनीतिक गतिविधियों से पूरी तरह से दूर रहा। चुनाव के समय हम अवसर सुनते थे कि बहुत गड़बड़ हो रही है। कॉलेज में डूसू चुनाव के समय पढ़ाई नहीं होती थी। सभी बच्चे उसी में लगे रहते थे लेकिन हमारा कॉलेज सामान्य गति से चलता था। हमारी क्लासिस किसी भी परिस्थिति में बाधित नहीं होती थी। हमारे समय में मंडल कमीशन आया था। मंडल कमीशन का विश्वविद्यालय में गहरा असर देखने को मिला था।

लेकिन उस विपरीत परिस्थिति में भी हमारे कॉलेज में कोई असर देखने को नहीं मिला। राजनीतिक गतिविधियों से अलग होने के कारण ही वह सबसे अधिक सेफेस्ट जोन था। यही एक कारण था कि मैं चाहती थी मेरी बेटी इस कॉलेज का हिस्सा बने। मेरी बेटी को गर्ल्स कॉलेज में नहीं पढ़ना था लेकिन बेटी की डेस्टनी भी हमसे अलग नहीं थी। उसके 98 प्रतिशत अंक था। पहली कटऑफ में उसका नाम वोकेशनल स्टडीज में नाम आया था। उसने वहां एडमिशन ले लिया पर वह पूरी तरह से संतुष्ट नहीं थी। दूसरी लिस्ट में उसका नाम भगतसिंह कॉलेज आया उसने वहां एडमिशन नहीं लिया। तीसरी लिस्ट में उसका नाम आईपी कॉलेज में आया। इस समय मैंने उससे कहा कि सभी कॉलेजों में आईपी सबसे बेहतरीन है। मैंने उससे कहा कि मेरी बात मानकर वह आईपी में जाये क्योंकि वहां पढ़ाई का माहौल है। मैंने उसे समझाया कि कॉलेज में गर्ल्स और ब्वायज का क्या करना है। मस्ती तो बाहर ही करनी है। चाहे किसी भी कॉलेज में एडमिशन हो, वहां पढ़ना ही होगा। बाकि गतिविधियों के लिए तो बाहर ही जाना होगा। हमारे समय में आईपी का अंग्रेजी विभाग सबसे बेहतरीन विभागों में से एक है। गीतालीजी कहती हैं “कॉलेज फेस्ट हमारे समय में सिर्फ हॉस्टल में रहने वालों के लिए होता था, डे स्कॉलर का उससे कुछ लेना देना नहीं था। क्योंकि हमें घर देरी से आना या कहीं रूकना सख्त मना था। मैंने अंतिम वर्ष में बहुत मुश्किल से अपने पापा को मनाया था कि पापा ‘लास्ट ईयर है प्लीज जाने दो’। उस समय कोई रॉक बैंड का सेशन था। मैं मेरी दोस्त सुपर्णा और अपराजिता हम तीनों संस्कृत मैम के घर रूके थे क्योंकि उन दिनों में फोन आदि इतने नहीं हुआ करते थे। वह 1990 था जब मैं कहीं बाहर रूकी थी। बाकि दिन में हर गतिविधि का मैं हिस्सा बनती थी। कॉलेज का अंग्रेजी विभाग बहुत हाई फाई माना जाता था क्योंकि वह उस समय में भी खुल्ले में स्मॉकिंग करते थे। अंग्रेजी विशेष से इतर हम सभी बैकवर्ड माने जाते थे। अंग्रेजी विभाग की हॉस्टलर से बहुत बनती थी। क्योंकि वह अंग्रेजी में बहुत अच्छे थे। हॉस्टल में भी उस समय ज्यादा नॉर्थ ईस्ट की लड़कियां आती थी। वह सभी अंग्रेजी में बात करते थे। हमारे समय में प्रिंसिपल चारी बहुत स्ट्रिक्ट थीं।

मंडल कमीशन के समय में भी कॉलेज में कोई गतिविधि उन्होंने नहीं होने दी। कॉलेज कैंपस में राजनीति के लिए कोई स्थान नहीं था। मेरी बेटी के समय में मैंने जरूर एक बार नारेबाजी सुना है। गीताली जी बताती हैं मेरी मां के समय फेस्ट का कोई ट्रेडिशन नहीं था। एनएसएस मुझे हमेशा याद रहता था। कॉलेज में एनसीसी, एनएसएस या एनएसओ में किसी एक में कुछ घंटे जरूर पूरे करने होते थे। यह हमारी डिग्री के लिए आवश्यक है। कॉलेज में जो रास्ता स्टाफ क्वाटर की ओर जाता था वहां एक एनएसएस का कमरा था जहां ब्लाइंड छात्रा हमारा इंतजार करती थी। उन्हें नोट लिखकर देना, उन्हें ब्रेल में मदद करना आदि हमारे लिए आवश्यक था। नंबर ऑफ आवर पूरा करना होता है। चाहे कोई भी प्रिंसिपल रही हों मेरी मां के समय की हो या मेरी बेटी के समय सभी ने अनुशासन को बरकरार रखा है। सबने ही कॉलेज की सेंटिटी को मेंटेन किया है। कॉलेज के डेकोरम को सबने संभाला है। कॉलेज की ग्रोथ का सभी ने ध्यान रखा। उम्र के साथ आजादी के मायने बदलते हैं। उसमें बदलाव आता है जिसे स्वीकारना आवश्यक है। आप यह नहीं कह सकते हैं कि आप इस बदलाव को स्वीकार करने को तैयार नहीं हैं। समय के साथ बदलने वाला ही खुश है। जो समय के साथ बदलता नहीं है वह जीवनपर्यन्त दुखी रहता है। अपने समय को अपने बच्चों के समय के साथ तुलना नहीं की जा सकती है। एक पीढ़ी से दूसरी पीढ़ी में बदलाव आता है जिसे जनरेशन गैप कहते हैं। पीढ़ी के साथ स्वतंत्रता के मायने बदलते हैं। तीन पीढ़ियां जिन्होंने पचास के दशक से आज 2023 तक कॉलेज को निरंतर बदलते और संवरते पाया है। पहली पीढ़ी 1955 में आयी, दूसरी पीढ़ी 1987 और तीसरी पीढ़ी 2023 में कॉलेज से बाहर हुई। यह अपने आप में ही एक युग के समान है। संस्कृत 'विशेष' में दाखिला लेने वाली श्रीमति इवाधर चौधरी ने 1955 में कॉलेज में प्रवेश किया था। इवाधर के पिता राष्ट्रपति आवास में कार्यरत थे। पिता के कारण ही उन्हें यहां पढ़ने का सौभाग्य प्राप्त हुआ। उस समय ग्यारहवीं के बाद ही कॉलेज में दाखिला मिलता था। उसके पहले इवाधर जी बंगाली स्कूल में अध्ययन कर रही थीं। अनुशासन कॉलेज की मुख्य विशेषता रही है। गीताली जी के बेटी पीहू वर्तमान में मेनचेस्टर में दाखिला पा चुकी है। यह तीनों पीढ़ियां इन्द्रप्रस्थ महिला महाविद्यालय को अपने जीवन में सबसे शीर्ष पर रखती हैं।
