

Indraprastha College for Women **Alumnae Engagement and Interactions**

Report for Session 2021 -22

In line with the College's mandate of enhancing the Alumnae Network, this year was fruitful in engaging with alumnae. As the world attempted to return to the physical mode from the online mode, this year had both online and offline interactions with our Alumnae.

Keeping the earmarked calendar date of the Second Sunday of November, 14 November 2021, we hosted the Annual Alumnae Meet online. All departments continued to establish effective communication channels with their alumnae by inviting them for Talks, Meets, Workshops, Student guidance or in the capacity of Judges for various events over Google Meet/ Zoom and then some events in person once the college reopened in February 2022. With the help of dedicated and responsive Departmental Alumnae Representatives, both the practice of updating Alumnae databases as well as engaging with alumnae have become regular events on the Academic Calendar. Our dedicated Google Group has nearly 3100 members and is growing. This year we also started a Facebook Group (<https://www.facebook.com/groups/596523204874379/>) to connect with our alumnae and it has 1960 members and is growing. The Facebook group has become an active platform for sharing memories of being associated with the College and its glorious past.

Further, the panellists of the event were 3 Alumnae Debaters and 3 College Professors (out of which one is also an IPCW alumna).

The Library's Book Review Forum hosted a conversation on 18 December 2021 on our alumna Dr. Rekha Upreti's latest book 'Shitij par thitki saanjh' which is a travel memoir with significant reflective insights into the author's native place in the mountainous

terrains of Uttarakhand. The discussion was with Dr. Chandrakanta Kinra alumna and retired teacher from the Department of Hindi and Dr. Pankaj Bose, Assistant Professor of Hindi who is currently teaching in our College.

Samvaad- The Hindi Debating Society of the College hosted an online debating basics workshop on 9 March 2022 with Ms. Angarika Datta, an alumna of the College and also the President of the Debating Society (2011-2012).

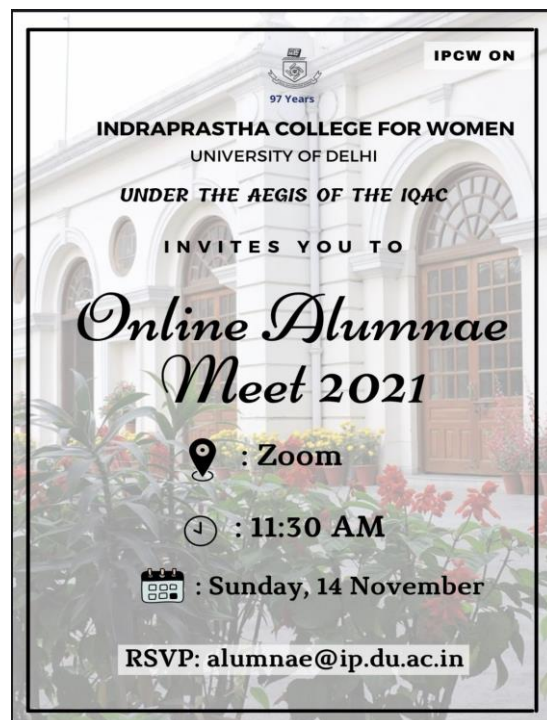

Annual Alumnae Meet

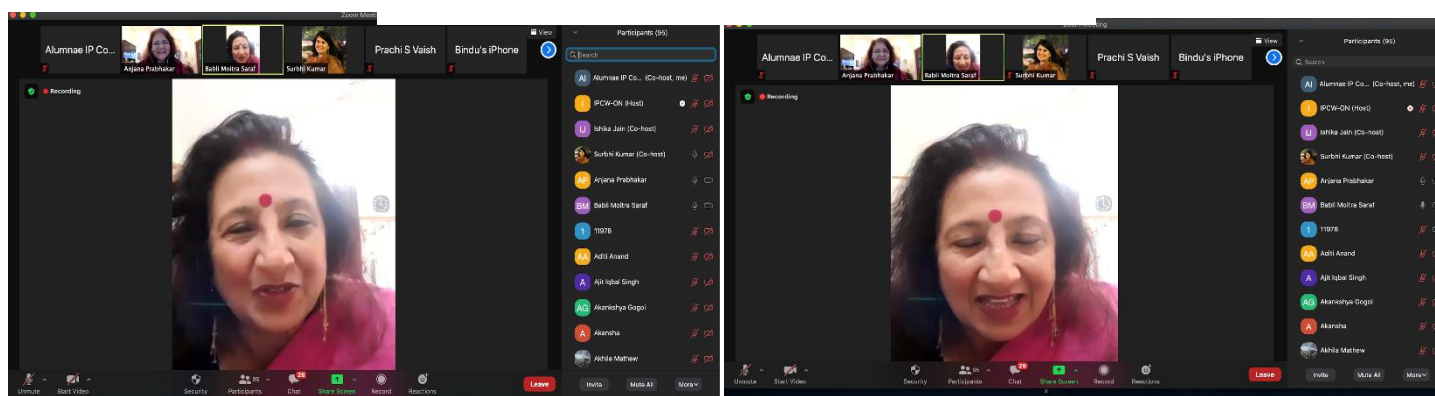

The Annual Alumnae Meet was yet again held online on 14 November 2021 which served as a blessing in disguise for many alumnae who have been desirous of joining us but geographical boundaries and time constraints have played the spoilsports. For the Meet this year, we invited the alumnae to share their stories of College and its contributions in any format of their choice, either individually or in groups. Around 300 alumnae expressed interest in joining and appreciated the Meet online, 249 of them registered and ultimately 243 people joined the Zoom event at various times.

The event started off with the Virtual Tour of the College. Many of the alumnae who have not visited the college in recent years, were pleasantly surprised and delighted with the development of the college campus and the eternal beauty of the gardens and vowed to visit the campus as soon as possible.

The Principal, Prof. Babli Moitra Saraf warmly welcomed everyone to the Meet and wished how this event could be a physical event. She spoke about the flagging off the centennial celebrations of the College on the College Day and the felicitations for the illustrious alumnae of our College.

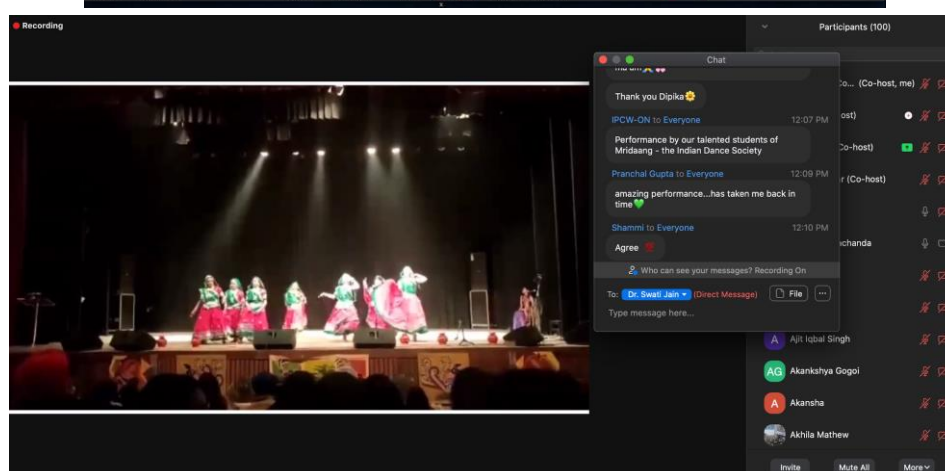

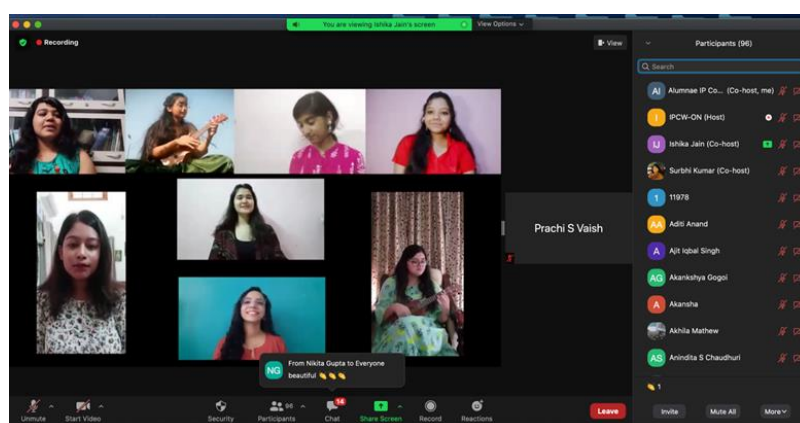

The Principal addressing the Gathering

Dr. Geeta Rani, an alumna and Assistant Professor from the Sanskrit Department shared a beautiful and memorable performance to welcome the alumnae and start off the event. A Brief Report of Alumnae Engagement Activities of the Year was presented.

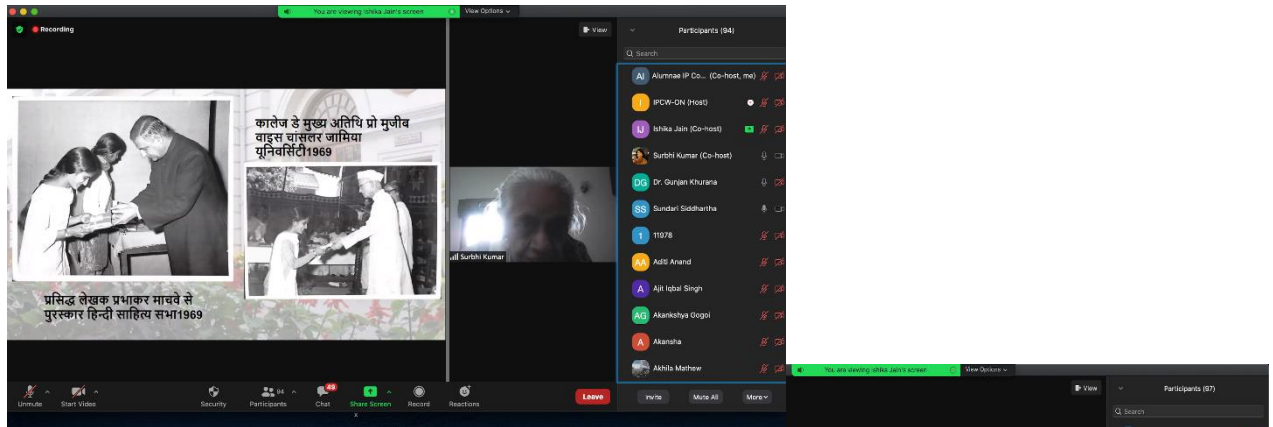

Under the guidance of the Union Advisor Dr. Akanksha and ECA convenor Dr. Papori Konwar, the ECA societies of Indian Music, Dance and Dramatics put up a brilliant cultural show which mesmerised the audience. There was a deep appreciation for the talent of the students. The students of Alaap presented a beautiful melody of popular songs that ensured that the participants of the meet sang along, then the students from Mridang performed a beautiful Rajasthani dance.

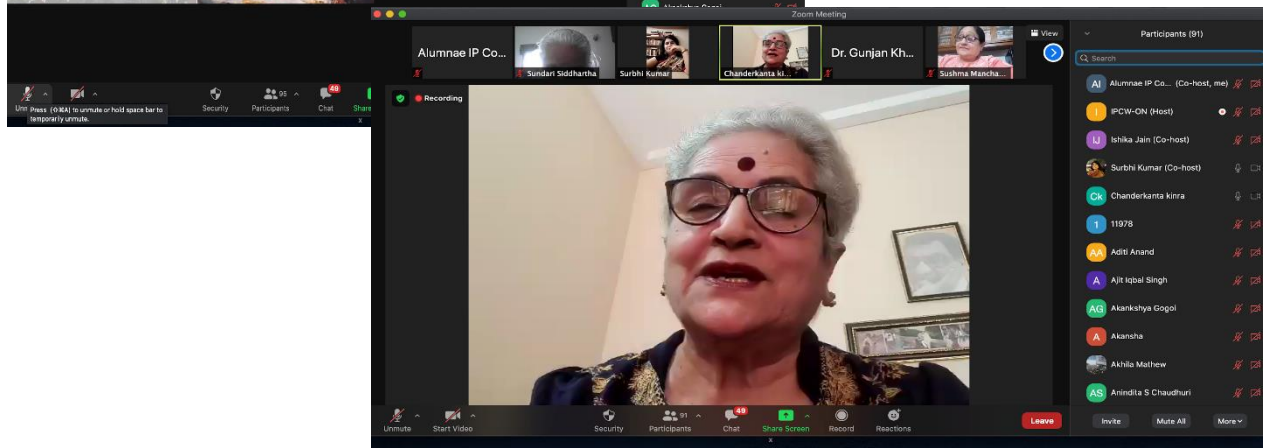

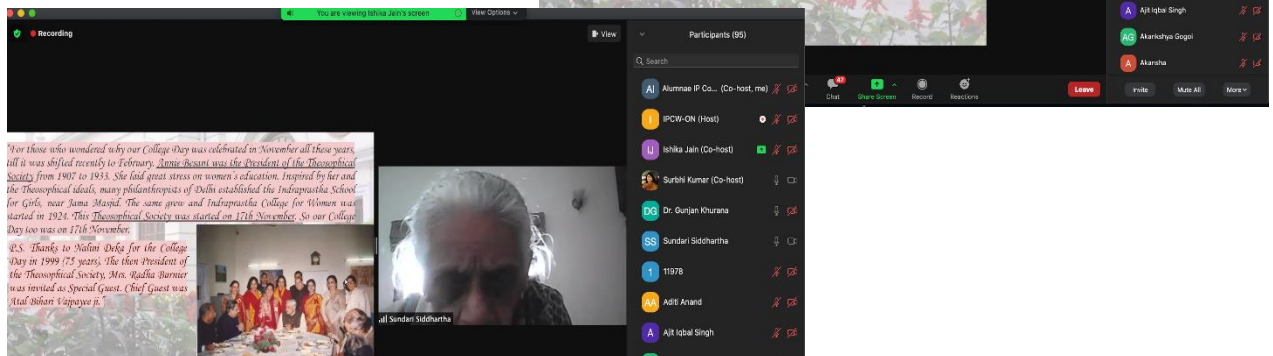

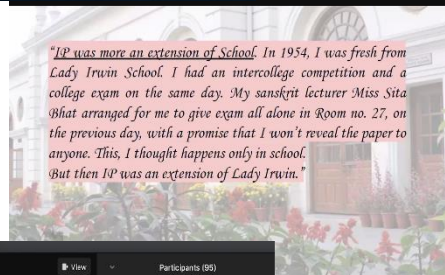

Performances by Alaap and Mridang

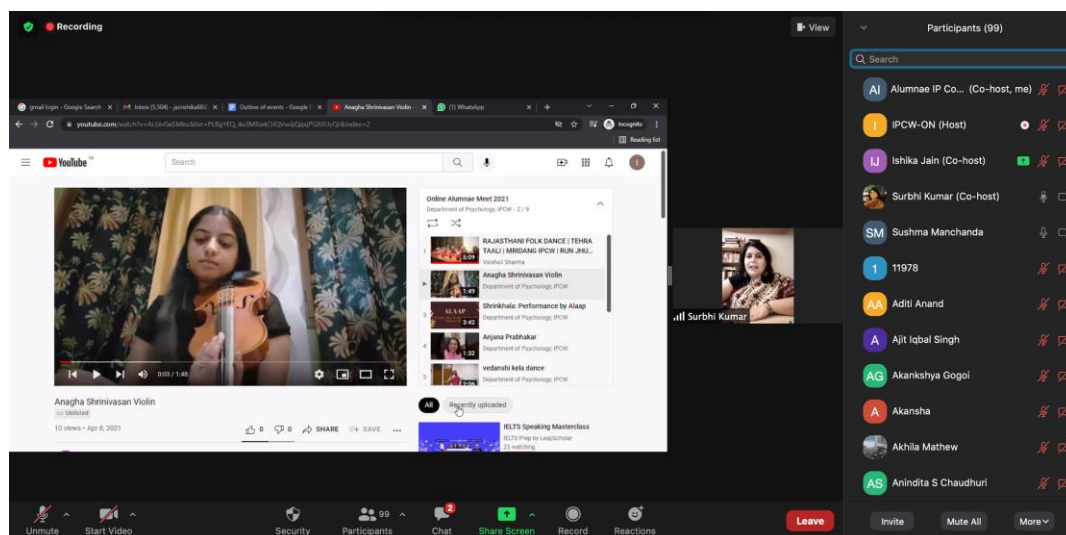

Student volunteers facilitated online games for the alumnae - Guess the Movie Emoji Game and Guess the Song Game which turned out to be a fun and engaging activity with all the guests enjoying themselves. The Alumnae Association Vice President Ms. Anjana Prabhakar welcomed the gathering with a pre-recorded message.

This was followed by the sharing of memories and photos by two illustrious alumnae Dr. Sundari Siddhartha from the Sanskrit Department and Dr. Chandrakanta Kinra from the Hindi Department. This was followed by a request from Dr. Rekha Sethi to alumnae for sharing their narratives of being a part of the College.

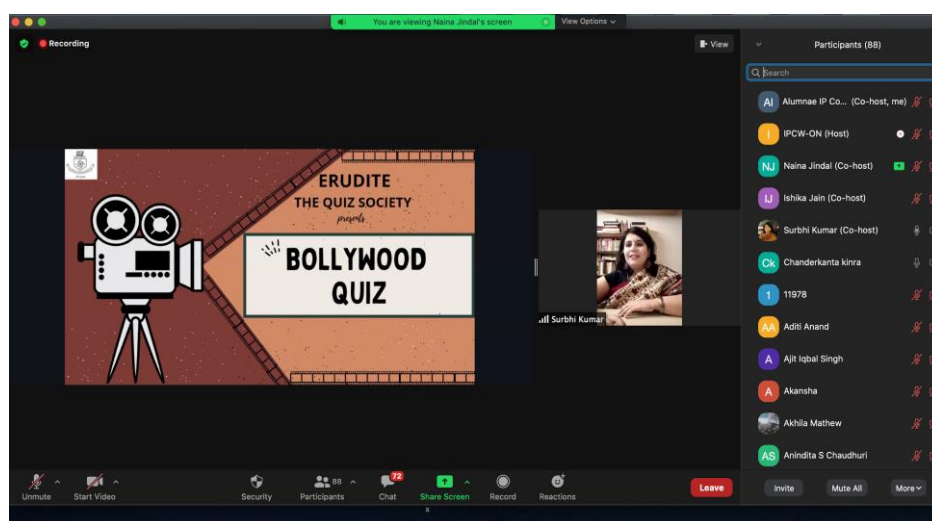

Sharing of memories by the Alumnae

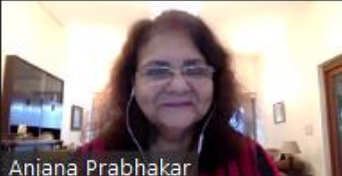

This was followed by some performances from the Talented Students of the Department of Psychology who entertained the audience with a memorable violin performance, beautiful dance performances followed by a melodious rendition of the song *Bade Acche Lagte hai*.

This was followed by a Bollywood Quiz by Erudite, the Quiz Society which got the audience all pumped up and participating enthusiastically. Abhivyakti presented a skit dramatising College Life which was quite relatable to the alumnae and then there was a performance by the students of the Psychology Department where they dramatised their experience of Online Classrooms.

Many of the alumnae took this opportunity to share their memories and stories of college. The alumnae shared both live and on the chat feature that they had a wonderful experience and how they look forward to being a part of further such events. For many alumnae, this was the first Meet that they could be a part of. There were many requests for holding such virtual meets regularly. It was truly endearing that this virtual event could bring cheer to the alumnae and their households amidst this pandemic. The event closed with a compiled video of Memories and a note of heartfelt gratitude for joining the event and a welcome to join the Facebook page and the google group for regular updates.
